TITLE OF INFORMATION COLLECTION: Team Submarine (TSUB) Core Values ACT Campaign Pulse Check Survey

PURPOSE:

The survey is designed to collect feedback from the Team Submarine (TSUB) workforce on the success and areas for growth of culture initiatives sponsored by the ACT Campaign. The ACT Campaign aligns submarine culture to TSUB’s five Core Values and instills those values in everyday work through employee-centric initiatives, events, and “ACTivities.” Results from this survey will be used by the ACT Working Group to assess the value of the Campaign, improve current initiatives, and inform future events.

DESCRIPTION OF RESPONDENTS:

The respondents will consist of members of the Team Submarine workforce to include military and civilian personnel, as well as contractor employees. For the purposes of the PRA, only contractor respondents are included in the burden estimates below. We estimate no more than 25% of private sector contractors (203 contractors out of 813 total) will complete this survey per quarter.
