Student Loan Deferment Request

Health Professions Student Loan (HPSL)
Loans for Disadvantaged Students (LDS)
Nursing Student Loan (NSL)
Primary Care Loan (PCL)

PLEASE READ CAREFULLY BEFORE YOU COMPLETE THIS REQUEST:

- 1. Recipients of funds from the Department of Health and Human Services Federal programs referenced above (Health Professions Student Loan, Loans for Disadvantaged Students, Nursing Student Loan, and Primary Care Loan) are responsible for requesting and certifying to the institution from which they received the loan their eligibility for Deferment.
- 2. Deferments are only granted for specific activities (see Part II below). You must be participating in one of these activities to be eligible for deferment under this program. Borrowers must file deferment forms annually for each additional year of deferment. Borrowers must request deferments at least 30 days before the beginning of an activity that makes the borrower eligible for deferment. If the borrower is beginning the deferable activity during the grace period, the form is due 30 days before the repayment period (i.e., the due date of the first payment). If you fail to submit this form to your school 30 days prior to the payment due date, your school is required to consider your loan past due and must take action to collect as required by the program regulations.
- 3. The institution from which you received your Title VII or Title VIII loan funds may have their own Deferment Request form. Please contact your institution to see if they have and prefer you use their form.
- 4. It is your responsibility to immediately notify the institution from which you received the loan funds of anything that has change that might impact your Deferment eligibility, should the Deferment Request be granted.
- 5. While your Loan Servicer may contact you regarding the status of this Deferment Request, it is ultimately your responsibility to confirm your eligibility for Deferment. Your school is considered the lender for these loans, acting as an agent of the federal government. However, they may contract with an organization called a Loan Servicer to work with you during repayment.
- 6. These loans are not reflected on the National Student Loan Data System (NSLDS).

INSTRUCTIONS:

- 1. Complete Part I in its entirety, sign, and date.
- 2. Complete Part II by indicating the category under which you are applying to defer payments on your loan with this Deferment Request.
- 3. Complete Part III by taking to the appropriate Designated Official at your school, teaching hospital, or service organization, for completion and signature of Part III, based on your Deferment category selected in Part II.
- 4. Make a copy for your records.
- 5. Submit original signed request to your institution from which you received your loan funds or the Loan Servicer, taking note of when and where you submitted this Deferment Request. Refer to the information provided at your Loan Exit Interview for information on where to submit this Deferment Request. If you are unsure where, please contact the school. This request must be submitted prior to you receiving deferment.

6. Contact your institution or Loan Servicer after a designated period of time to confirm not only receipt of this Deferment Request, but its status.

7. If your circumstances change and you cease to become eligible for deferment status, please notify the school immediately upon termination of your status.
