

FY2020 Ending the HIV Epidemic – Primary Care HIV Prevention (PCHP) Progress Reporting

OMB No.: 0915-0285. Expiration Date: XX/XX/20XX

1. PCHP Staffing Positions by Major Service Category		
Enter the number of FTEs hired or contracted by your health center to support the expansion of HIV prevention services from 3/1/2020 to the end of the current reporting period. Report only the FTE increases supported by PCHP funds. For example, if you hired a 1.0 FTE PrEP navigator and increased a 0.5 FTE internist to full time using PCHP funds, you would report 1.0 FTE under Case Managers and 0.5 FTE under Internists.		
<i>Enabling Services</i>	Hired	Contracted
Case Managers (e.g., PrEP navigators)		
Patient/Community Education Specialists		
Patient Advocates		
Outreach Workers		
Transportation Staff		
Eligibility Assistance Workers		
Interpretation Staff		
Community Health Workers		
Other Enabling Services		
<i>Physicians</i>	Hired	Contracted
Family Physicians		
General Practitioners		
Internists		
Obstetricians/Gynecologists		
Pediatricians		
Licensed Medical Residents		
<i>Nurse Practitioners, Physician Assistants, and Certified Nurse Midwives</i>	Hired	Contracted
Nurse Practitioners		
Physician Assistants		
Certified Nurse Midwives

Patient Services Support Staff			
Other Programs and Services Staff (e.g., staff who support outreach, care coordination, transportation)			
SUBTOTAL			
TOTAL (Hired and Contracted)			
2. HIV Prevention Services			
Enter patients and visits from 3/1/2018 to the end of the current reporting period. Report all patients and visits, regardless of funding source (do not limit responses to activities supported by PCHP funding).			
2a.	Number of health center visits during which an HIV test was performed		
2b.	Number of patients tested for HIV		
2c.	Percentage of patients with a documented HIV test performed between the ages of 15 and 65 years		
2d.	Number of patients at risk for HIV who were prescribed PrEP		
2e.	Percentage of patients newly diagnosed with HIV who were seen for follow-up treatment within 30 days of HIV diagnosis		
2f.	Personnel FTE added to support HIV prevention services		
2g.	Number of patients newly diagnosed with HIV		
3. Issues and Barriers			
What new or ongoing issues/barriers have you encountered in implementing the activities supported with the PCHP supplemental funding over the past four months?			
Required field; Minimum 500 characters up to 2500 characters (1 page)			
4. Successes and Lessons Learned			
What new or ongoing success and/or lessons learned have you experienced in implementing the activities supported with the PCHP supplemental funding over the past four months?			
Required field; Minimum 500 characters up to 2500 characters (1 page)			

Public Burden Statement: Health centers (section 330 grant funded and Federally Qualified Health Center look-alikes) deliver comprehensive, high quality, cost-effective primary health care to patients regardless of their ability to pay. The Health Center Program application forms provide essential information to HRSA staff and objective review committee panels for application evaluation; funding recommendation and approval; designation; and monitoring. The OMB control number for this information collection is 0915-0285 and it is valid until XX/XX/XXXX. This information collection is mandatory under the Health Center Program authorized by section 330 of the Public Health Service (PHS) Act ([42 U.S.C. 254b](#)). Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to HRSA Reports Clearance Officer, 5600 Fishers Lane, Room 14N136B, Rockville, Maryland, 20857 or paperwork@hrsa.gov.
