DP23-0020: A Strategic Approach to Advancing Health Equity for Priority Populations with or at Risk for Diabetes (2320)

Component C

Performance Measure Data Collection Platform

March 2024

Public reporting burden of this collection of information is estimated to average **8 hours per response per year**, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; Attn: OMB-PRA (0920-1282)

Performance Measure Reporting Cadence

Performance Measure Reporting Cadence

DP23-0020 Recipients will report on performance measures 90 days after the close of each budget period through the 5-year period of performance.

	Year 1	Year 2	Year 3	Year 4	Year 5
Reporting Period	Not Applicable	September 30, 2024	September 29, 2025	September 28, 2026	September 27, 2027

Guidance for Reviewing Performance Measure Screenshots

Guidance for Reviewing Screenshots

- The name of the recipient provided for each screenshot (Performance Measures – [Agency Name] (DP23 -0020)) is an example of where the recipient agency's name who is completing the form would be displayed.
- The name indicated in the "Last Modified By" field (Platform Admin Rene van Horde) is an example of the name of the person who last modified the template.
- Field labels in Salesforce are not limited to the number of characters with spaces and can be expanded.
- Field labels follow the layout of performance measure guidance with fields reading from left to right, top to bottom across the page.

DP23-0020 Home Screen – Component C

The screenshot shows the 'Performance Measures - AmVentureX, Inc. (DP23-0020)' page. At the top, there's a CDC logo and a search bar. Below the search bar, there are navigation tabs: RESOURCE TOPICS, TA REQUESTS, AWARDS, GROUPS, DASHBOARD, REPORTS, and CALENDAR. The main content area has a header 'Performance Measures - AmVentureX, Inc. (DP23-0020)'. Below this, there are filters for NFO (DOT DP23-0020), Component (Component C), Award Number, and Status (In Progress). There are two buttons: 'Submit For Review' and 'Export'. Below the buttons, there are two tabs: 'MEASURES' and 'DISCUSSIONS'. Under the 'MEASURES' tab, there is a list of measures with expand/collapse icons: 1.1, 1.a, 2.1, 2.a, 2.b, and 3.1. There is also an 'Add Measure' button.

DP23-0020- Performance Measure Template Key-Component C

The screenshot shows the 'KEY' section of the 'Performance Measure Template Key-Component C'. It lists several UI elements with their corresponding icons and descriptions:

- Help text with key definition and guidance
- Drop down options
- Collapse
- Expand
- Move selection right
- Move Selection left
- Help Tips *(This is only for performance measures that have more than one data point)*

DP23-0020 Measure 1.1 _Add Measurement Option – Component C

The screenshot displays a web-based form titled "1.1" with a "Help" button. The form is used to add a measurement option for Component C. It includes several input fields and callout boxes providing instructions:

- Lock Status:** A dropdown menu currently set to "Unlocked". A callout box states: "If this measurement is 'Locked' then it cannot be updated or deleted. If you would like to update or delete this measurement, the please reach out to your Project Officer, or Evaluator, to unlock this measurement."
- Performance Year:** A dropdown menu currently set to "--None--".
- Measurement Type:** A dropdown menu currently set to "--None--". A callout box states: "Actual or Target".
- Date Collected:** A date picker field.
- Numerator/Count:** A text input field. A callout box states: "Provide the total number of people, participants, or completers."
- Priority Populations Count:** A text input field. A callout box states: "Provide the number of people, participants, or completers from the priority population."
- Notes:** A text area for additional information. A callout box states: "If Other is selected, provide additional information that reflects context for the values reported."

The form also includes a "Close" button at the bottom right. The background shows a sidebar with "Setting" and "Data Source" sections, and a "Priority Populations" section with a list of categories: Children, Teens, and Adults (18-24).

DP23-0020 Measure 2.1 _Add Measurement Option – Component C

The screenshot displays the 'Add Measurement Option' form for Component C. The form is titled '2.1' and includes a 'Help' button. The left sidebar lists the following fields: Name, Description, Measure Type, Progress Notes, Setting, Data Source, and Priority Populations. The main form area contains the following fields and callouts:

- Lock Status:** A dropdown menu currently set to 'Unlocked'. A blue callout box states: 'If this measurement is "Locked" then it cannot be updated or deleted. If you would like to update or delete this measurement, the please reach out to your Project Officer, or Evaluator, to unlock this measurement.'
- Performance Year:** A dropdown menu currently set to '--None--'.
- Measurement Type:** A dropdown menu currently set to '--None-'. A blue callout box states: 'Actual or Target'.
- Date Collected:** A text input field with a calendar icon.
- Numerator/Count:** A text input field.
- Priority Populations Count:** A text input field.
- Notes:** A text input field. A blue callout box states: 'If Other is selected, provide additional information that reflects context for the values reported.'

At the bottom of the form, there is a 'Close' button and a 'Teens' label. A blue callout box for the 'Data Source' field states: 'Provide the total number of people, participants, or completers.' Another blue callout box for the 'Priority Populations' field states: 'Provide the number of people, participants, or completers from the priority population.'

DP23-0020 Measure 4.a _Add Measurement Option – Component C

The screenshot displays a web-based form titled "4.a" with a sidebar on the left containing a "Help" button and a list of fields: Name, Description, Measure Type, Progress Notes, Setting, Data Source, and Priority Populations. The main form area contains the following fields and callouts:

- Lock Status:** A dropdown menu currently showing "Unlocked". A callout box states: "If this measurement is 'Locked' then it cannot be updated or deleted. If you would like to update or delete this measurement, the please reach out to your Project Officer, or Evaluator, to unlock this measurement."
- Performance Year:** A dropdown menu currently showing "--None--".
- Measurement Type:** A dropdown menu currently showing "-None-". A callout box states: "Actual or Target".
- Date Collected:** A date picker field.
- Numerator/Count:** A text input field. A callout box states: "Provide the total number of people, participants, or completers."
- Priority Populations Count:** A text input field. A callout box states: "Provide the number of people, participants, or completers from the priority population."
- Notes:** A text area. A callout box states: "If Other is selected, provide additional information that reflects context for the values reported."

A "Close" button is located at the bottom right of the form.
