

DMP Assessment Invitation Email

From: PHII

BCC: All DMI learning community participants

Subject: Data Modernization Initiative | Invitation to provide feedback

Thank you for participating in the Data Modernization Initiative (DMI) learning community. We invite you to complete a brief assessment by accessing the link below. The results of the assessment will provide insight and direction for future learning initiatives to support STLT in their data modernization efforts. A summary of the findings will be sent to all DMI learning community participants as an opportunity to close the loop and highlight what we heard from you. The assessment should take no more than **10 minutes** to complete.

Your participation is voluntary, but we would greatly appreciate receiving your response by **Wednesday, June 15, 2022 at 11:59 pm EST**. If you have any questions or problems concerning this assessment, please contact ctangum-consultant@taskforce.org.

Thank you again for participating in the DMI learning community and providing feedback.
