TITLE OF INFORMATION COLLECTION: Electronic Import Permit Program (eIPP)
Information System Survey

PURPOSE:

- Learn more about the user experiences with eIPP
- Determine level of customer satisfaction with eIPP
- Determine the key performance indicators as perceived by the eIPP users

With the results DSAT will,

- Make tangible updates to the eIPP system

DESCRIPTION OF RESPONDENTS:

- Users of the electronic Import Permit Program (eIPP) information system, CDC's electronic permit application system for CDC's [Import Permit Program](#). Including but not limited to:
 - o Administrator/Logistics/Manager
 - o Biosafety Officer
 - o Customs Attorney
 - o Customs Broker
 - o Principal Investigator/Researcher
 - o Project/Lab Manager
- The CDC Import Permit Program, or IPP, regulates the importation of infectious biological materials that could cause disease in humans in order to prevent their introduction and spread into the U.S. The program ensures that the importation of these agents is monitored and that facilities receiving permits have appropriate biosafety measures in place to work with the imported agents. The eIPP information system is the electronic information system through which those seeking import permits apply for the permit. Use of this system is now mandatory for anyone applying for a CDC import permit. The system uses a new, recently updated (and OMB-approved) application that has been modified to better assess biosafety measures at an applicant's facility. Applicants no longer have the option of submitting paper forms, which was the process before the creation of the eIPP information system.

Instructions for completing Request for Approval under the “Generic Clearance for the Collection of Routine Customer Feedback”

TITLE OF INFORMATION COLLECTION: Provide the name of the collection that is the subject of the request. (e.g. Comment card for soliciting feedback on xxxx)

PURPOSE: Provide a concise description of the purpose of this collection and how it will be used. If this is part of a larger study or effort, please include this in your explanation.

DESCRIPTION OF RESPONDENTS: Provide a concise description of the targeted group or groups for this collection of information. These groups must have experience with the program.

TYPE OF COLLECTION: Check one box. If you are requesting approval of other instruments under the generic, you must complete a form for each instrument. The ‘Other’ category should be used only in the contexts in which the provided categories cannot reasonably apply.

CERTIFICATION: Please read the certification carefully. If you incorrectly certify, the collection will be returned as improperly submitted or it will be disapproved.

Personally Identifiable Information: Provide answers to the questions.

Gifts or Payments: As a general matter, incentives are not appropriate for customer service collections; however, incentives may be appropriate for focus groups or in-depth usability studies, especially when participants must travel to a site to participate. In the latter circumstance, the incentive should include travel costs. Customary incentives for focus groups in the Federal government are \$40 for a one-hour interview and \$75 for a 90-minute focus group. If you answer yes to the question, please describe the incentive and provide a justification for amounts other than those cited above; justifications should be limited to Federal studies of a similar design and subpopulation.

BURDEN HOURS:

Category of Respondents: Identify who you expect the respondents to be in terms of the following categories: (1) Individuals or Households; (2) Private Sector; (3) State, local, or tribal governments; or (4) Federal Government. Only one type of respondent can be selected.

No. of Respondents: Provide an estimate of the Number of respondents.

Participation Time: Provide an estimate of the amount of time required for a respondent to participate (e.g. fill out a survey or participate in a focus group)

Burden: Provide the Annual burden hours: Multiply the Number of responses and the participation time and divide by 60.

FEDERAL COST: Provide an estimate of the annual cost to the Federal government.

If you are conducting a focus group, survey, or plan to employ statistical methods, please provide answers to the following questions:

The selection of your targeted respondents. Please provide a description of how you plan to identify your potential group of respondents and how you will select them. If the answer is yes, to the first question, you may provide the sampling plan in an attachment.

Administration of the Instrument: Identify how the information will be collected. More than one box may be checked. Indicate whether there will be interviewers (e.g. for surveys) or facilitators (e.g., for focus groups) used.

Please make sure that all instruments, instructions, and scripts are submitted with the request.
