

Attachment 3. 2023 CDC Epidemic Intelligence Service Candidate Feedback Survey Invitation Email

From: eisapplication@cdc.gov

BCC: Epidemic Intelligence Service Candidates for Class of 2023

Subject: EIS 2023 Candidate – Opportunity to provide feedback to the EIS program

Dear EIS 2023 Candidate,

You are invited to provide feedback that will help us evaluate the Epidemic Intelligence Service (EIS) 2023 interview process. As a recently interviewed candidate, we value your honest feedback and want to hear from you through a web-based survey. The information you provide will help us better understand how the virtual EIS 2023 interview process went and identify areas for improvement. Your interest and participation in this survey will not impact your EIS selection outcome in any way and will not impact your application standing for future Centers for Disease Control and Prevention (CDC) fellowships or employment.

To help improve future EIS interviews, please complete a brief survey by accessing the link below. **The survey takes an average of 10 minutes to complete.** Your privacy is important to us. Survey results will be reported in aggregate and only the Epidemiology Workforce Branch evaluation staff will have access to your responses.

<https://www.surveymonkey.com/r/2023EISInterviews>

You can edit previous responses as you complete the survey. To return to a previous page, use the **“Previous”** button at the bottom of the page (NOT the “Back” button on your browser menu). To advance, use the **“Next”** button at the bottom of the page. You will not be able to edit your response when you exit the survey; therefore, you will have to complete this survey in one sitting. The survey will close on **September 30th at 11:59 pm ET.**

If you have any questions or problems, please contact eisapplication@cdc.gov.

Thank you!

EIS Team
