2023 CDC Epidemic Intelligence Service Candidate Feedback Survey

Introduction

Form Approved
OMB No. 0920-1050
Expiration Date: 06/30/2025

Thank you for your interest in providing feedback regarding this year's EIS interview process. We estimate that it will take less than **10 minutes** to complete this survey. The survey is anonymous, so we will not be able to link your responses with your name.

Your privacy is important to us. We will use your feedback to improve future interview cycles. Your interest and participation in this survey will not impact your EIS selection outcome in any way and will not impact your application standing for future Centers for Disease Control and Prevention (CDC) fellowships or employment. Survey results will be reported in aggregate and only CDC's Epidemiology Workforce Branch evaluation staff will have access to your responses. Feedback is due by **September 30, 2022**.

To advance, use the "Next" button at the bottom of the page. By clicking "Next," you are giving consent and agreeing to participate in this survey. Please contact eisapplication@cdc.gov if you have any questions regarding this survey.

The public reporting burden of this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to - CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333 ATTN: PRA (0920-1050).
