American Indian, Alaska Native, Native Hawaiian Career Expo Post-Event Survey

- Goal of the study is to inform session organizers about how to strengthen recruitment programming for potential applicants from Tribal Colleges and Universities (TCUs), Native American-Serving Non-Tribal Institution (NASNTI), and Alaska Native-Native Hawaiian Serving Institution (ANNHSI), and determine if the recruitment session met intended communication and content objectives.
- Intended use of the resulting data (e.g., provide suggestions for improving community-based programs): To gain insight into the experience of event attendees and learn what topics might increase interest in the future.
- Methods to be used to collect (e.g., prospective cohort design; randomized trial; etc.): Web-based survey using Survey Monkey
- The subpopulation to be studied (e.g., school-age children in North Carolina, conference attendees): Attendees of the American Indian, Alaska Native, Native Hawaiian Career Expo
