Attachment 2. Screen Shots of Online Version of Epi Info™ User Survey

Epi Info™ User Survey

Introduction

The purpose of this survey is to inform future improvements to the Epi Info™ suite of tools and user support services. This questionnaire should take approximately 20 minutes to complete. Your participation in this survey is voluntary. If you choose not to participate, or change your mind later, your decision will not affect your relationship with or your right to use Epi Info™. This survey is being conducted by the MITRE Corporation under contract with the Centers for Disease Control and Prevention (CDC).

Who Should Participate?

We are interested in a variety of perspectives, including:

- Hands-on Epi Info™ users
- Managers whose staff use Epi Info™
- Educators that offer Epi Info™ training
- Students who have learned Epi Info™
- Individuals who have not yet used Epi Info™ but may use it in the future

How Will My Responses Be Used?

CDC and MITRE will maintain confidentiality of your responses and protect any information that could be used to identify individual respondents. Any information that is used in reports about this survey will not include any personally identifying information. Your responses will not be used for any other purpose unless we ask you for consent for that additional purpose or for legal compliance. Please do not include any sensitive information in your responses to questions. If you have any questions or need assistance completing this survey, please contact: epiinfosurvey@cdc.gov. Thank you for your time and support!

Notice

The public reporting burden for this information collection is estimated to be 20 minutes. This burden estimate includes time for reviewing instructions, researching existing data sources, gathering and maintaining the needed data, and completing and submitting the information. Send comments regarding the accuracy of this burden estimate and any suggestions for reducing the burden to: U.S. Office of Personnel Management, Federal Investigative Services, Attn: OMB Number (XXXX-XXXX), 1900 E Street NW, Washington, DC 20415-7900. You are not required to respond to this collection of information unless a valid OMB control number is displayed.

OMB Control No. XXXX-XXXX
Expiration Date XX/202X

This questionnaire asks about your use of Epi Info™, your opinions and suggestions for improvements, and characteristics about you and your organization. We are interested in a variety of user perspectives.

When responding to questions please consider:

- Your personal experience
- If you do not have personal experience, the experiences reported by members of your team.

Responses to questions with an asterisk (*) at the end are required to continue. Your answers to these questions determine which subsequent questions are most appropriate for you.

First, we would like to ask a few questions about your use of Epi Info™.

During the past two years, how have you used Epi Info™ in your work or school activities? (Select all that apply)*

- ☐ I have **used** Epi Info™ myself at least once for **work** in the past two years
- ☐ I have **used** Epi Info™ myself at least once for **school** in the past two years
- ☐ I have **used** Epi Info™ myself at least once for **personal reasons** (e.g., not for work or school) **in either the past two years or previously**
- ☐ I have **led a team or program** that used Epi Info™ at least once in the past two years
- ☐ I have **trained others** in the use of Epi Info™ at least once in the past two years (For example, public health staff, students, etc.)
- ☐ I have **not used** for work or school, led a team that used, or taught Epi Info™ **in the past two years, but have done so previously**
- ☐ I have **never used**, led a team that used, or taught Epi Info™

How likely is it that you will use Epi Info™ in the future?*

- ☐ Not likely
- ☐ Somewhat likely
- ☐ Very likely

For which types of activities have you used Epi Info™? (Select all that apply)*

- ☐ Calculating sample size
- ☐ Collecting data (For example, by interview, record review, or entering data from paper forms in Epi Info™)
- ☐ Conducting statistical analyses (For example, means, frequencies, 2x2 tables or logistic regression)
- ☐ Creating forms for data collection in Epi Info™
- ☐ Creating graphs and tables
- ☐ Creating maps
- ☐ Managing data (For example, by cleaning data, recoding variables, or transforming data)
- ☐ Other (please specify)

For which types of projects or programs have you used Epi Info™? (Select all that apply)

- ☐ Community health assessments
- ☐ Outbreak or cluster investigations (excluding Epi-Aid)
- ☐ Epi-Aid investigations
- ☐ Community Assessment for Public Health Emergency Response (CASPER)
- ☐ Emergency preparedness activities (excluding CASPER)
- ☐ Chemical, Biological, Radiological, Nuclear (CBRN) emergency response
- ☐ Natural disaster response (e.g., hurricane, tornado, flooding, earthquake)
- ☐ Ongoing surveillance and monitoring
- ☐ Program evaluation
- ☐ Research studies
- ☐ School projects or assignments
- ☐ Teaching programs
- ☐ Other (please specify)

Which version of Epi Info™ have you most recently used?

- ☐ Epi Info™ 7.x (circa 2009-present)
- ☐ Epi Info™ 3.x (circa 2003-2012)
- ☐ Epi Info™ 2000 (circa 2001-2003)
- ☐ Epi Info™ 6.x (DOS) (circa 1985-2001)
- ☐ I do not know

In the past 5 years, which Epi Info™ tools have you used?*

- ☐ **Epi Info™ for Windows** (includes Form Designer, Enter Data, Visual Dashboard, Classic Analysis, Epi Map, and Stat Calc)
- ☐ **Epi Info™ mobile application(s)** (includes Epi Info™ Companion app, Epi Info™ Vector Surveillance app)
- ☐ **Epi Info™ Web Survey** (includes Data Viewer and Survey Manager). This tool allows for anonymous data collection through web browsers or mobile devices.
- ☐ **Epi Info™ Cloud Data Capture.** This tool allows for distributed data collection by authorized users within an organization which requires a user name and password.
- ☐ None of the above

In the past 5 years, on average, how often have you used the different features of Epi Info™ for Windows?

Next, we are interested in your overall impressions about Epi Info™.

When responding:

1. Think about your **most recent experience** using Epi Info™.
2. **Consider all the Epi Info™ tools** that you have used. Examples of tools include Epi Info™ for Windows and the Epi Info™ mobile application(s).
3. **Don't overthink it.** There are no wrong or right answers; your first answer is most likely to represent your first impression.

The following table displays opposite pairs of attributes that may apply to Epi Info™.

Example: The response below would mean that you rate the application as more practical than impractical.

impractical ☐ ☐ ☐ ☐ ☐ ☒ ☐ practical

Please provide your **overall impressions** of Epi Info™ based on **your most recent experience** by selecting one option per line. Selecting an option closer to an attribute represents stronger agreement with that attribute.

not understandable	☐ ☐ ☐ ☐ ☐ ☐ ☐	understandable
difficult to learn	☐ ☐ ☐ ☐ ☐ ☐ ☐	easy to learn
unpredictable	☐ ☐ ☐ ☐ ☐ ☐ ☐	predictable
