TITLE OF INFORMATION COLLECTION: Semi-Structured Interviews for an Assessment of the ADDIE Model for Emergency Preparedness and Response Capacity Building

PURPOSE: The purpose of this work is to conduct an analysis of CDC Emergency Response Capacity Team's (ERCT's) capacity building strategy to support countries' development of their public health emergency preparedness and response efforts. Interviews will be conducted with country partners to understand their perspectives and experiences collaborating with ERCT, including successes and challenges and improve our approach working with countries.

DESCRIPTION OF RESPONDENTS: Participants will include country representatives who have worked with ERCT to develop and implement capacity building efforts. These individuals work in the country's Ministry of Health or National Public Health Institute.

TYPE OF COLLECTION: (Check one)

Instruction: Please sparingly use the Other category

☐ Customer Comment Card/Complaint Form
☐ Usability Testing (e.g., Website or Software)
☐ Focus Group

☐ Customer Satisfaction Survey
☒ Small Discussion Group
☐ Other: _____

CERTIFICATION:

I certify the following to be true:

1. The collection is voluntary.
2. The collection is low-burden for respondents and low-cost for the Federal Government.
3. The collection is non-controversial and does not raise issues of concern to other federal agencies.
4. The results are not intended to be disseminated to the public.
5. Information gathered will not be used for the purpose of substantially informing influential policy decisions.

Name: Sonya Panjwani

If you are conducting a focus group, survey, or plan to employ statistical methods, please provide answers to the following questions:

The selection of your targeted respondents

1. Do you have a customer list or something similar that defines the universe of potential respondents and do you have a sampling plan for selecting from this universe?
[X] Yes [] No

If Yes: Please provide a description of both below (or attach the sampling plan)

If No: Please provide a description of how you plan to identify your potential group of respondents and how you will select them or ask them to self-select/volunteer

Countries selected as part of the analysis using purposive sampling. To be included, countries must have engaged ERCT during the project timeline (i.e., January 2022 to present) and have completed at least one of the activities in ERCT's menu of activities under the ADDIE model. At least one country from each of the 4 regions ERCT works in will be selected to participate, with additional countries included to provide further context. ERCT's internal CDC SharePoint list will provide data on engaged countries for sample selection. Participants selected for interviews will include those that served as the country-level point of contact for completed activities.

Instructions for completing Request for Approval under the “Generic Clearance for the Collection of Routine Customer Feedback”

TITLE OF INFORMATION COLLECTION: Provide the name of the collection that is the subject of the request. (e.g. Comment card for soliciting feedback on xxxx)

PURPOSE: Provide a concise description of the purpose of this collection and how it will be used. If this is part of a larger study or effort, please include this in your explanation.

DESCRIPTION OF RESPONDENTS: Provide a concise description of the targeted group or groups for this collection of information. These groups must have experience with the program.

TYPE OF COLLECTION: Check one box. If you are requesting approval of other instruments under the generic, you must complete a form for each instrument. The ‘Other’ category should be used only in the contexts in which the provided categories cannot reasonably apply.

CERTIFICATION: Please read the certification carefully. If you incorrectly certify, the collection will be returned as improperly submitted or it will be disapproved.

Personally Identifiable Information: Provide answers to the questions.

Gifts or Payments: As a general matter, incentives are not appropriate for customer service collections; however, incentives may be appropriate for focus groups or in-depth usability studies, especially when participants must travel to a site to participate. In the latter circumstance, the incentive should include travel costs. Customary incentives for focus groups in the Federal government are \$40 for a one-hour interview and \$75 for a 90-minute focus group. If you answer yes to the question, please describe the incentive and provide a justification for amounts other than those cited above; justifications should be limited to Federal studies of a similar design and subpopulation.

BURDEN HOURS:

Category of Respondents: Identify who you expect the respondents to be in terms of the following categories: (1) Individuals or Households; (2) Private Sector; (3) State, local, or tribal governments; or (4) Federal Government. Only one type of respondent can be selected.

No. of Respondents: Provide an estimate of the Number of respondents.

Participation Time: Provide an estimate of the amount of time required for a respondent to participate (e.g. fill out a survey or participate in a focus group)

Burden: Provide the Annual burden hours: Multiply the Number of responses and the participation time and divide by 60.

FEDERAL COST: Provide an estimate of the annual cost to the Federal government.

If you are conducting a focus group, survey, or plan to employ statistical methods, please provide answers to the following questions:

The selection of your targeted respondents. Please provide a description of how you plan to identify your potential group of respondents and how you will select them. If the answer is yes, to the first question, you may provide the sampling plan in an attachment.

Administration of the Instrument: Identify how the information will be collected. More than one box may be checked. Indicate whether there will be interviewers (e.g. for surveys) or facilitators (e.g., for focus groups) used.

Please make sure that all instruments, instructions, and scripts are submitted with the request.
