

ATT. 5. RECIPIENT FOLLOW-UP FORM FOR INDIVIDUAL TA

OMB Control No. 0920-1050
Exp. Date 06/30/2025

Public reporting burden of this collection of information is estimated to average 15 minutes per respondent. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB Control Number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia, 30333; ATTN: PRA (0920-1050).

Thank you for participating in technical assistance (TA) provided by CDC's Violence Prevention Technical Assistance Center (VPTAC). VPTAC serves as a central source of TA for all health departments, domestic violence coalitions, and other organizations receiving funding from the Prevention Practice and Translation Branch (PPTB) in the Division of Violence Prevention at the Centers for Disease Control and Prevention (CDC).

VPTAC is committed to continuous quality improvement. To assist us with that, please take a few minutes to complete this brief survey. In answering, please think about TA that you or people in your organization received from VPTAC approximately six months ago in relation to the TA request that you submitted. When you answer questions, please respond on behalf of your team; VPTAC is interested in your site's collective feedback. We will not attach your name or the name of your organization to the survey. Survey data will be shared with the TA provider and the VPTAC evaluation team and used to improve future TA delivery and outcomes. Participation in the survey is voluntary and all questions are optional. If you have any questions about VPTAC or this survey, please send an email to either your project officer or Dr. Lindsey Barranco (lyzi9@cdc.gov).
