Test Mode

Are you looking for information regarding your risk (or the risk of your family/community) of getting sick from a respiratory illness? Please select all that apply.

☐ Yes, I'm looking for information regarding my risk

☐ Yes, I'm looking for information regarding my family member's, friend's, and/or community's risk

☐ Yes, I'm looking for information regarding my patient's/client's risk

☐ Yes, I'm looking for information regarding my student's risk

☐ I'm here as part of my work within public health (ex. Journalist, Public Health official, Data Scientist etc.)

☐ I'm not looking for anything specifically

After reviewing the graphics on this page, how true is the following statement: I understand the level of risk for catching a respiratory illness such as influenza (flu), COVID-19, or respiratory syncytial virus (RSV)?

☐ True, I understand my risk for respiratory illness

☐ False, I do not understand my risk for respiratory illness

On a scale of 1 to 5, with 1 being not at all useful and 5 being very useful, how useful is this graphic in helping you make decisions to keep yourself from either catching or getting seriously sick from respiratory illnesses?

1 = Not at all useful 2 = Not so useful 3 = Somewhat useful 4 = Mostly useful 5 = Very useful

☐ ☐ ☐ ☐ ☐

On a scale of 1 to 5, with 1 being not at all trustworthy and 5 being very trustworthy, how trustworthy is the information presented on this page?

1 = Not at all trustworthy 2 = Not so trustworthy 3 = Somewhat trustworthy 4 = Mostly trustworthy 5 = Very trustworthy

☐ ☐ ☐ ☐ ☐

What additional feedback, if any, do you have regarding how we can improve the graphics or other information presented on this page?
