Introduction to Laboratory Safety for Non-Laboratory Staff at CDC: eLearning Course Evaluation Survey

Welcome to the eLearning Course Evaluation Survey

OMB Control No. 0920-XXXX
Expiration Date: XX/XX/20XX

Thank you for completing this evaluation survey to provide feedback on "Introduction to Laboratory Safety for Non-Laboratory Staff at CDC," designed by the Centers for Disease Control and Prevention, Office of Laboratory Science and Safety.

CDC estimates the average public reporting burden for this collection of information as 10 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-XXXX).
