

Survey Invitation Screenshots from APHL RQ Awards Website

These invitations to complete the survey are displayed on the APHL Fellowship/Internship application website, RQ Awards. These invitation messages supplement the email invitations that are sent to the survey respondents to complete the surveys during their application to the Career Pathways in Public Health Laboratory Science Program.

Fellowship

Survey

To help recruit, train, and retain a diverse public health laboratory workforce and advance health equity, the Centers for Disease Control and Prevention (CDC) and the Association of Public Health Laboratories (APHL) are working to ensure that candidates from a wide variety of backgrounds and communities have the opportunity to apply for the Career Pathways in Public Health Laboratory Science Program. APHL and CDC invite you to complete this **anonymous survey** to gauge promotion and recruitment efforts for the program. It should take no more than 5 minutes to complete.

This survey is voluntary. You may choose to skip questions by selecting "Prefer not to answer." Regardless of whether you chose to answer the questions, please return to the Career Pathways application portal and type "CONFIRMED" in the text box below to acknowledge that you accessed the survey.

The information collected is anonymous and cannot be linked back to your Fellowship application. Data will be analyzed and reported only in aggregate for internal use to inform CDC and APHL of the promotion and recruitment efforts for the program.

We appreciate your time and thank you in advance for your participation. If you encounter issues with the survey or have any questions about this assessment of the Public Health Laboratory Fellowship Program, please email disevaluation@cdc.gov.
