2024 CDC DWD Fellowship Webinar Customer Service Feedback Survey

- Goal of this study is to assess how informative the webinars were to attendees about the fellowship programs and to determine areas of improvement and gather recommendations for future programming.
- Intended use of the resulting data is to improve the logistics, communication, and quality of the recruitment process and webinars for future.
- Data will be collected using Survey Monkey, a web-based survey tool.
- The subpopulation to be studied are the CDC DWD Fellowship Webinar attendees.
- Data will be analyzed using descriptive statistics.
