NBS Page Builder Demo User Feedback Survey

Thanks so much for meeting with us [when meeting happened].

We are excited to announce the NBS 7.2.2 demo, which includes various new features and enhancements tailored to improve your work as a public health expert! The NBS 7.2.2 demo will also include all the features and benefits from previous versions through 6.0.12.

To give you a preview of what's in store, we've prepared a demo site where you can try out some of the new features and updates firsthand.

Attached to this email are several references to aid you in exploring the NBS 7.2.2 demo site.

We value your feedback and will use it to improve the NBS experience, so please take some time to explore the demo site and share your thoughts with us!

Your login information is as follows:

Demo site address – NBS (https://app.demo-cdc-nbs.eqsandbox.com/nbs/login)

Username – [username]

No Password

Please provide feedback [link to survey] by [date]. If you cannot access the survey, please reach out to us at nbs@cdc.gov and we will work with you on an alternate method for feedback. We will be sharing the demo site with other jurisdictions soon and all feedback will be synthesized and shared back during an upcoming NUG/SME call.
