## **Post-Event Survey for In-Person Attendees**

Thank you for participating in this year's Public Health Improvement Training (PHIT)! Please take a few moments to tell us about your experience at PHIT. We rely on your feedback to help plan and improve future training events. This survey is voluntary and should take about 4 minutes. Your response will not be linked to your name or other identifying information.

For help, please contact Cassandra Frazier at bkx9@cdc.gov.

CDC estimates the average public reporting burden for this collection of information as 4 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS H21-8 Atlanta, Georgia 30333; ATTN: PRA (0920-1050).
