Recruitment Screener Questions for MFHP Usability Study

Public reporting burden of this collection of information is estimated to average 10 minutes per response to account for initial recruitment communications, as well as complete the recruitment screener questions. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-1050).

Recruitment Screener

Introduction

Hi, my name is [RECRUITER'S NAME] from the [COMPANY NAME]. We are currently trying to improve our mobile application (app), and in order to do so, we are looking for people who might be interested in trying out our app and providing feedback.

If you qualify for this study, we will pay you [\$XX] to participate. To see if you meet the qualifications for this study, I'd like to ask you some questions. These questions are completely voluntary, and we'll only use the information for screening purposes. It will take about 10 minutes to complete.

If you are asked to be in the study, you will be provided with more details and information soon. May we continue?
