

Participant Trainings Survey

Form Approved

OMB Control No.: 0920-1050

Expiration Date: 06/30/2025

Introduction

Thank you for taking this survey so that CDC may evaluate and improve the quality of this training experience. The survey should take you less than 10 minutes to complete. All responses will be analyzed and reported in aggregate without individual identifying information and is for internal use only. Results will be handled in a confidential and secure manner.

Questions

1. What is the name of the webinar/presentation/training you participated in? (drop-down menu of options including "other" for open-ended response)
2. Date of event (open-ended)

Please rate how well you agree with each of the statements below using the following scale:

1 = Strongly disagree, 2 = Disagree, 3 = Neutral, 4 = Agree, 5 = Strongly agree

1. I am satisfied with the webinar/presentation/training.
2. This webinar/presentation/training increased my knowledge of the topic.
3. I am confident I can effectively put the skills I learned into practice.
4. I would recommend this webinar/presentation/training to a colleague.

CDC estimates the average public reporting burden for this collection of information as 10 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-1050).

Please rate the instructor/presenter using the following scale:

1 = Strongly disagree, 2 = Disagree, 3 = Neutral, 4 = Agree, 5 = Strongly agree

(Note to reviewers - The survey tool will allow for the rating of more than 1 instructor/presenter, as applicable)

5. The instructor/presenter was engaging and supportive.
6. The instructor/presenter was knowledgeable on the topic.

7. The instructor/presenter clearly explained the content.
8. The instructor/presenter effectively managed their time to meet the objectives of the webinar/presentation/training.
9. Please provide additional comments on the instructor so that CDC may better identify areas of strength and those needing improvement. (open-ended)

**For each of the following elements, please rate the information presented using the following scale:
1 = Strongly disagree, 2 = Disagree, 3 = Neutral, 4 = Agree, 5 = Strongly agree**

10. The information adequately addressed knowledge gaps.
11. The information was well-organized and easy to follow.
12. The information is applicable to my role.
13. The information aligns with the purpose/learning objectives of the webinar/presentation/training.
14. Please provide additional comments on the information (including the length of the training) so that CDC may better identify areas of strength and those needing improvement. (open-ended)

**For each of the following elements, please rate the accompanying materials using the following scale:
0 = Not applicable, 1 = Strongly disagree, 2 = Disagree, 3 = Neutral, 4 = Agree, 5 = Strongly agree**

15. The accompanying materials are relevant to the webinar/presentation/training information.
16. The accompanying materials are applicable to my role.
17. Please provide additional comments on the materials so that CDC may better identify areas of strength and those needing improvement. Please identify any materials or information that would have been helpful to have prior to the webinar/presentation/training. (open-ended)

(Note to reviewers – The survey tool will be formatted so reader will know subsequent questions are not about accompanying materials.)

18. How will you use the information and materials you acquired in this webinar/presentation/training? (open-ended)
19. What was the most valuable aspect of the webinar/presentation/training? (open-ended)

20. What additional topics would you like to see in a future webinar/presentation/training? (open-ended)
21. Please provide further comments so that CDC may know what worked well and what needs improvement. (open-ended)
