## Recruitment Letter- Attachment 1

### Scripts and Newsletter Language

#### Script for Focus on Overdose Prevention Newsletter

##### [Weigh In on Tools for Overdose Prevention](#)

The National Council for Mental Wellbeing, with support from the Centers for Disease Control and Prevention (CDC), wants your feedback to determine what overdose prevention resources are helpful for the field and to assess the National Council's existing tools. Your responses to this survey will help inform updates to previous tools and the development of new resources and training to support community-based organizations and health departments in their overdose prevention efforts. Please consider sharing your knowledge and expertise by [taking the survey](#) by [DEADLINE]. This survey is anonymous, and personal information will not be collected or shared unless the respondent is interested in a follow-up interview.

#### Script for CDC's OD2A Recipient Listserv

The National Council for Mental Wellbeing is seeking your insight!

The National Council, with support from the Centers for Disease Control and Prevention (CDC), is collecting feedback to determine which overdose prevention resources are helpful and to assess the tools the National Council has previously developed. Your answers to this survey will inform updates to previous tools and the development of new resources and training opportunities to support local and state health departments in their overdose prevention efforts.

Please share your knowledge and expertise — [take the survey](#) by [DEADLINE]. This survey is anonymous, and personal information will not be collected or shared unless the respondent is interested in a follow-up interview.
