

OMB No: 0925-0780

Expiration Date:10/31/2026

Burden Disclosure Statement

Public reporting burden for this collection of information is estimated to average 60 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering, and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0780). Do not return the completed form to this address.

Research Data Use Statement

Describe the purpose of the scientific investigation, scholarship or teaching, or other form of research and research development for which you are requesting access to data from NIH Brain Development Cohorts. Include reference to specific data structures. If data will be downloaded, describe how the data will be managed throughout the course of the proposed research, including the plan for data deletion.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.

Renewal Applicants Only:

1. *Researchers who conduct secondary analyses on shared data, are expected as part of the Terms of Use to report their results*
2. Has a publication, computational pipeline, or other public disclosure of results from the analysis of data accessed from NIH Brain Development Cohorts resulted from a Recipient's previous access period? Note that *publication* includes preprint services (e.g., PsyArXiv, BioRxiv). Yes: ____
No: ____

If Yes, have the derived data used in disclosure of results been identified? Yes: ____ No: ____

List the Digital Object Identifier(s)-

List the PubMed ID(s) or citation(s):

2. Progress Report. Recipients requesting a renewal of an expiring Data Use Certification should provide a Progress Report on research conducted with data from the NIH Brain development Cohorts Data Sharing Platform. The Progress Report should also describe any updates to the original Research Data Use Statement.
