5. On the New Financial Submission page (Figure 6 or Figure 7), enter data elements and upload documentation.
 - a. Total Assets – This total amount is found on the Balance Sheet.

- b. Total Liabilities – This total amount is found on the Balance Sheet. For PACE or 1876 Cost Plan contracts, this amount includes Subordinated/Guaranteed Debt.
- c. Subordinated Debt/Guaranteed Debt (Included in Total Liabilities) – PACE or 1876 Cost Plan contracts only.

Subordinated debt is defined as an unsecured debt whose repayment to its Parent Organization ranks after all other debts have been paid when the subsidiary files for bankruptcy. An example of subordinated debt is when the Parent Organization loans money to the PACE organization or Cost Plan to pay its debts. The PACE organization or Cost Plan only needs to repay the Parent Organization after all of its other liabilities have been satisfied.

Guaranteed debt is defined as secured debt in which another entity promises to pay a loan or other debt if the organization that borrowed the money fails to pay. An example of guaranteed debt is when the PACE organization or Cost Plan obtains a loan from a bank and another entity signs on to guarantee payment of all (or a portion of) the loan. In the event of bankruptcy or default, the other entity will make payments on the loan on behalf of the PACE organization or Cost Plan to ensure the debt is satisfied.

Note:

- When a value of zero is entered, the system will alert the user.
 - When entering a numeric value other than zero, users are expected to include a signed Subordinated/Guaranteed Debt Attestation Form zipped with their file upload. The form can be accessed by selecting Subordinated/Guaranteed Debt Attestation Form at the bottom of the page or in the module navigation menu.
- d. Net Income (Loss) – This is the portion of revenue remaining after all the expenses and taxes have been deducted. This amount is found as a line item on the Revenue and Expense Statement. This amount can also be a negative number; in that case, it's called a Net Loss.
 - e. Cash Flow from Operations – This amount is found on the Cash Flow Statement. It is the first sub-totaled amount before accounting for cash flow from investing and financing activities.

- f. File – Upload the applicable financial statement(s). Click ‘Choose file to upload or drag the file here’ to upload a file OR drag and drop the file into the location.

Note:

- Accepted file types are .DOC, .DOCX, .PDF, and .ZIP. Filename cannot contain any of the following characters: pound (#), percent (%), semi-colon (;), plus (+), ampersand (&), and double periods (..).
- Maximum file size allowed is 20MB.
- Uploaded file name length should not exceed 150 characters.

- g. Subordinated/Guaranteed Debt Attestation – PACE contracts only. When entering a numeric value other than zero, users are required to indicate that the Subordinated/Guaranteed Debt Attestation form has been included in their submission by selecting the Subordinated/Guaranteed Debt Attestation checkbox.

Note:

- 1876 Cost Plans should contact CMS regarding Subordinated/Guaranteed Debt Attestation.
