Overview

The U.S. Department of Justice, Office of Community Oriented Policing Services (COPS Office, <https://cops.usdoj.gov>) is pleased to announce that it is seeking applications for funding for the **[INSERT TITLE AND GOAL OF PROGRAM]**.

The COPS Office welcomes applications under which two or more entities would carry out the federal award; however, only one entity may be the applicant. Any other entities carrying out the federal award must be identified as proposed subrecipients. The applicant must be the entity that would have primary responsibility for carrying out the awards, including administering the funding, managing the entire project and monitoring compliance.

The terms and conditions of the federal award are also applicable to subrecipients. Please note the distinction between a subaward that creates a financial assistance relationship to carry out a portion of the federal award and a contract that creates a procurement relationship for the purchase of goods and services needed under the federal award. To assist in making subrecipient and contractor determinations, please refer to the guidance in 2 C.F.R. § 200.331.

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law.

Program Description

The Office of Community Oriented Policing Services (COPS Office) is the component of the U.S. Department of Justice responsible for advancing the practice of community policing by the nation's state, local, territorial, and tribal law enforcement agencies through information and grant resources. The COPS Office has been appropriated more than \$20 billion to advance community policing, including grants awarded to more than 13,000 state, local and tribal law enforcement agencies to fund the hiring and redeployment of more than 136,000 officers. COPS Office information resources, covering a wide range of community policing topics such as school and campus safety, violent crime, and officer safety and wellness, can be downloaded via the COPS Office's home page, <https://cops.usdoj.gov>.

Community policing is a philosophy that promotes organizational strategies that support the systematic use of partnerships and problem-solving techniques to proactively address the immediate conditions that give rise to public safety issues such as violent crime, nonviolent crime, and fear of crime. To read an overview of the principles of community policing, please see the COPS Office publication [Community Policing Defined](#).

Intergovernmental Review

Note: Intergovernmental Review (SF-424 Question 19): This solicitation is subject to Executive Order (E.O.) 12372, Intergovernmental Review of Federal Programs. Applicants must check the Office of Management and Budget's website for the names and addresses of Single Points of Contact (SPOC) under Intergovernmental Review: <https://www.whitehouse.gov/wp-content/uploads/2023/06/SPOC-list-as-of-2023.pdf>. If the applicant's state appears on the SPOC list, the applicant must contact the state SPOC to find out about, and comply with, the state's process under E.O. 12372. In completing the SF-424, such applicant is to make the appropriate selection in response to question 19 once the applicant has complied with its state E.O. 12372 process. Applicants that expend any funds for lobbying activities must provide the information requested on the SF-LLL.

Once the SF-424 and SF-LLL have been submitted via Grants.gov, an email will be sent to the entity's E-Business Point of Contact (E-Biz POC) (also referred to as the JustGrants Entity Administrator) from DIAMD-NoReply@usdoj.gov. The Authorized Representatives are officials who have ultimate and final responsibility for all programmatic and financial decisions regarding this COPS Office application as representatives of your agency, as the legal recipient.

For guidance on who should be assigned as Authorized Representatives, please see below:

For law enforcement agencies, COPS Office awards require that both the top law enforcement executive (e.g., chief of police, sheriff, or equivalent) and the top government executive (e.g., mayor, board chairman, or equivalent) sign the application, and (if awarded funding) accept the award package. Both the top law enforcement executive and the top government executive must be assigned the role of Authorized Representative in Just Grants.

These two officials must have the ultimate signatory authority to sign contracts on behalf of your organization. Both the programmatic official and the financial official must be assigned the role of Authorized Representative in Just Grants.

Please note that nonexecutive positions (e.g., clerks, trustees) are not acceptable Authorized Representatives.

Disclosure of Duplication in Cost Items [System-generated]

DOJ Certified Standard Assurances [System-generated]

Applicants to COPS Office programs are required to sign and acknowledge the standard DOJ Assurances form in JustGrants. Signing this document assures the COPS Office that you have read, understood, and accepted the award terms and conditions as outlined in the Assurances. Please read this document carefully, as signatures on this document are treated as material representation of fact upon which reliance will be placed when the U.S. Department of Justice determines to fund the covered award. Full

text of the Certified Standard Assurances and Terms and Conditions is available in the [\[Enter program here\]](#) Resource Guide.

DOJ Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; Drug-Free Workplace Requirements; Law Enforcement and Community Policing [\[System-generated\]](#)

Applicants to COPS Office programs are required to sign and acknowledge the standard DOJ Certifications form in JustGrants. Signing this document assures the COPS Office that you have read, understood, and accepted the award terms and conditions as outlined in the Certifications.

Please read this document carefully, as signatures on this document are treated as material representation of fact upon which reliance will be placed when the U.S. Department of Justice determines to award the covered award. See appendices for the full assurances and certifications, which can all be found in the [\[Enter program here\]](#) Resource Guide .

An explanation is required when the applicant is unable to certify to certain statements in the “Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; Drug-Free Workplace Requirements; Law Enforcement and Community Policing” form (if applicable). When the applicant is unable to certify to specific statements identified in this Certifications form, the applicant must attach an explanation. The applicant is still required to sign the Certifications form to certify to all the other applicable statements. Please see [\[Enter program here\]](#) Resource Guide for a copy of this Certifications form.

The certifications are as follows:

1. the applicant understands that, as a general rule, COPS Office funding may not be used for the same item or service funded through another funding source, and
2. the applicant and any required or identified official partner(s) listed in this application mutually agreed to this partnership prior to submission.

Declaration and Certification to DOJ as to Application Submission [\[System-generated\]](#)

Applicants must read and acknowledge the statements in the Declaration and Certification.

Federal Civil Rights and Award Review

Please be advised that an application may not be funded and, if awarded, a hold may be placed on the award if it is deemed that the applicant is not in compliance with federal civil rights laws, is not cooperating with an ongoing federal civil rights investigation, or is not cooperating with a U.S. Department of Justice award review or audit.

How to Apply

Federal regulations require that an applicant for federal funding (1) be registered in SAM before submitting its application, (2) provide a valid unique entity identifier in its application, and (3) continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application or plan under consideration by a federal awarding agency. The COPS Office may not make an award to an applicant until the applicant has complied with all applicable Unique Entity Identifier (UEI) and SAM requirements and, if an applicant has not fully complied with these requirements by the time the COPS Office is ready to make an award, the COPS Office may determine that the applicant is not qualified to receive an award. See 2 C.F.R. §§ 25.200 and 25.205 and the Award Terms and Conditions for further information.

Please follow the steps listed here to ensure your application is submitted by the deadline for this solicitation. Applicants should register online with SAM and with Grants.gov well in advance of the JustGrants deadline.

Step 1: Register with SAM database/Confirm Unique Entity Identifier (UEI) number

The Unique Entity Identifier (UEI) issued by SAM is a 12-character alphanumeric value and, once issued, will not change. Entities that are currently registered in SAM.gov already have a Unique Entity ID (SAM) which can be viewed in SAM.gov. The transition to UEI (SAM) will not impact an entity's registration expiration date or when renewal is necessary.

System of Award Management (SAM) registration and renewal can take as long as 10 business days to complete.

If you do not have an Employer Identification Number (EIN), the process can take up to five weeks to obtain an EIN from the Internal Revenue Service. There is no fee associated with these processes. These processes cannot be expedited.

SAM registration procedures can be accessed at <https://www.sam.gov>.

The person registering with SAM will be the designated SAM E-Business (E-Biz) Point of Contact (POC), who can assign the people who submit applications for the organization (your Authorized Organization Representatives). In addition, you must review your SAM registration once a year.

Step 2: Acquire an Authorized Organization Representative (AOR) and a Grants.gov username and password.

Complete the AOR profile on Grants.gov and create a username and password. An applicant entity's "Unique Entity Identifier (UEI)" must be used to complete this step. For more information about the registration process for organizations and other entities, visit the [Grants.gov registration page](#). Individuals registering with Grants.gov may visit the [Applicant Registration page](#).

Step 3: Acquire confirmation for the AOR from the E-Business Point of Contact (E-Biz POC).

The SAM E-Biz POC at the applicant organization must log into Grants.gov to confirm the applicant organization's AOR. The E-Biz POC will need the Marketing Partner Identification Number (MPIN) password obtained when registering with SAM to complete this step. Note that an organization can have more than one AOR.

Step 4: Search for the funding opportunity on Grants.gov.

Search using the Assistance Listing Title and the Funding Opportunity Number from the solicitation.

Step 5: Access Funding Opportunity and Application Package from Grants.gov.

Select "Apply for Grants" under the "Applicants" column. Enter your email address to be notified of any changes to the opportunity package before the closing date. Click the Workspace icon to use Grants.gov Workspace.

Step 6: Complete and Submit the SF-424 and SF-LLL via Grants.gov.

Within 48 hours after submitting the SF-424 and SF-LLL, the applicant should receive two notifications from Grants.gov. The first will confirm the receipt of the SF-424 and SF-LLL. The second will state whether the SF-424 and SF-LLL has been validated and successfully submitted, or whether it has been rejected due to errors, with an explanation. It is possible to first receive a message indicating that the application is received, and then receive a system-generated rejection notice a few minutes or hours later. Submitting the SF-424 and the SF-LLL well ahead of the Grants.gov deadline provides time to correct the problem(s) that caused the rejection. These system-generated rejection notices are due to inaccurate data or incomplete applications.

Important: DOJ urges each applicant to submit the SF-424 and the SF-LLL at least 72 hours prior to the Grants.gov due date to allow time to receive validation messages or rejection notifications from Grants.gov and to correct in a timely fashion any problems that may have caused a rejection notification. Verify the application deadline (date and time) in the solicitation.

Step 7: Register the Entity Administrator (E-Biz POC) and the Application Submitter with DOJ's Justice Grants System (JustGrants).

(Application Submitters and E-Biz POC Users with an existing JustGrants Account may skip to step 8.)

Within 24 hours of JustGrants receiving an application from Grants.gov, the user submitting the application in Grants.gov and SAM E-Biz POC will receive an email to register for a JustGrants account. The email is from DOJ's secure user management system (DIAMD) and will include instructions on how to create an account.

To ensure that you receive these emails and that they are not flagged as spam, we recommend adding **DIAMD-NoReply@usdoj.gov** to the trusted sender list in your email settings.

The E-Biz POC at the applicant organization serves as the Entity Administrator and must log in to JustGrants to confirm the entity's profile, add users, and assign the two required Authorized

Representatives (Law Enforcement Executive/Program Official and Government Executive/Financial Official). The Authorized Representatives are officials who have ultimate and final responsibility for all programmatic and financial decisions for your agency, as the legal recipient. For guidance on who should be assigned as Authorized Representatives, please see below:

For law enforcement agencies, COPS Office awards require that both the top law enforcement executive (e.g., chief of police, sheriff, or equivalent) and the top government executive (e.g., mayor, board chairman, or equivalent) sign the application, and (if awarded funding) accept the award package. Both the top law enforcement executive and the top government executive must be assigned the role of Authorized Representative in Just Grants.

For non-law enforcement agencies (institutions of higher education, school districts, private organizations, etc.), COPS Office awards require that both the programmatic official (e.g., executive director, chief executive officer, or equivalent) and financial official (e.g., chief financial officer, treasurer, or equivalent) sign the application, and (if awarded funding) accept the award package. These two officials must have the ultimate signatory authority to sign contracts on behalf of your organization. Both the programmatic official and the financial official must be assigned the role of Authorized Representative in Just Grants.

Please note that nonexecutive positions (e.g., clerks, trustees) are not acceptable Authorized Representatives.

The user who submitted the application in Grants.gov serves as the Application Submitter. Within minutes of completing your JustGrants account registration, the Application Submitter and the E-Biz POC (Entity Administrator) users will receive an email from JustGrants with a link to the application started in Grants.gov.

Application Submitters and E-Biz POC Users with a JustGrants Account

Step 8: Review and Invite the Two Required Authorized Representatives in JustGrants

The Entity Administrator will need to log into JustGrants to review and assign the required two Authorized Representatives (Law Enforcement Executive/Program Official and Government Executive/Financial Official). The Authorized Representatives are officials who have ultimate and final responsibility for all programmatic and financial decisions for your agency, as the legal recipient. For guidance on who should be assigned as Authorized Representatives, please see guidance above.

If an Authorized Representative needs to be invited, the Entity Administrator will need to invite the individual to receive a JustGrants account. These actions are required before an application can be submitted.

Within minutes of being invited to be an Authorized Representative, the individual will receive an email from **DIAMD-NoReply@usdoj.gov** with instructions on how to create an account in DOJ's secure user management system.

Once the Authorized Representative receives the email and completes the steps to create an account, the Authorized Representative will be available in JustGrants.

Review the “[JustGrants User Roles Guide](#)” to become familiar with the various JustGrants Entity User roles.

Step 9: Complete and Submit the JustGrants Application

Important: In addition to the Application Submitter, the Entity Administrator and the two Authorized Representatives should be available to assist with the JustGrants application submission.

The Application Submitter will complete the application by entering data into web-based forms, uploading attachments, and accepting assurances and certifications. Before you submit your application, each section must be completed and free of validation errors. If not, please return to each identified page using the table of contents on the right side of the page. If any required fields are unanswered, they will be flagged with warning messages. In this case, answer these required fields. You will not be able to submit your application until all validation issues are corrected and the application is certified.

The Application Submitter will also need to confirm the required two Authorized Representatives (Law Enforcement Executive/Program Official and Government Executive/Financial Official).

The Application Submitter will need to select two authorized representatives via dropdown field in the “Confirm Authorized Representative” section of the application. The dropdown will display all authorized representatives that have been assigned for your entity (the [Application Submission Job Aid Reference Guide](#) for this step).

If you do not see authorized representatives for your entity in the dropdown field within the “Confirm Authorized Representative” section of the application, you will need to add and assign the role for each authorized representative for your entity. Please note: the COPS Office requires two authorized representatives (Law Enforcement Executive and Government Executive) for its grant applications. Users will not be visible in JustGrants until they have successfully logged into JustGrants. If you need assistance adding users and assigning roles for your entity, please refer to the [Entity Management Job Aid Reference Guide](#).

Once all sections are completed, the application submitter will submit the application. Upon successful submission of an application, the Application Submitter, Entity Administrator, and the two Authorized Representatives will receive an email from JustGrants confirming submission of the application. The COPS Office will not accept applications submitted via mail or email.

Step 10: Confirm Receipt of JustGrants Application

The Application Submitter should closely monitor their email and JustGrants accounts for any notifications from Grants.gov or JustGrants about a possible failed submission. The user who is authorized to submit applications on behalf of the organization is the one who will receive these notifications. The COPS Office does not send out these notifications, nor does the COPS Office receive a

copy of these notifications. It is the applicant's responsibility to notify the COPS Office of any problems with the application submission process. Submitting the application components **at least 48 hours prior to the solicitation deadline** will enable the applicant to receive notice of a failed submission and provide an opportunity to correct the error before the applicable deadline.

Submission Dates and Time

All completed applications must be submitted by the deadline.

Late Submissions

The COPS Office will review on a case-by-case basis requests for late submission due to unforeseen technical issues or extraordinary events such as extreme weather emergencies or mass casualty events. Requests for an extension of the Grants.gov deadline must be received prior to the close of the solicitation in Grants.gov. Requests for an extension of the JustGrants deadline must be made prior to the close of the solicitation in JustGrants. No late submission requests will be considered once the solicitation closes. Extension of deadlines is rare and is not guaranteed.

To be considered for an extension, applicants must contact the COPS Office Response Center via email at AskCopsRC@usdoj.gov detailing the technical/extraordinary issues that impact application submission. This email must be submitted prior to the deadline for which the applicant is requesting an extension. The applicant's email must include the following information: UEI number, Organization name, Point of contact name and information, Application ID, and the nature of the issue/disaster and how it affected the applicant's ability to submit an application on time. The email subject line should read "[Insert Program] Extraordinary Circumstances: [UEI number, Agency Name, Application ID]", with your UEI number and organization name and details filled in.

The COPS Office will respond to each applicant as soon as possible with either an approval and instructions for submission or a rejection. If the technical issues you reported cannot be validated, the application will be rejected.

The following conditions are not valid reasons to request an extension: (1) failure to begin the registration process in sufficient time; (2) failure to follow instructions on Grants.gov or JustGrants; (3) failure of the two assigned authorized representatives, with the proper authority, to activate accounts in JustGrants prior to application submission; (4) failure to follow all of the instructions in the solicitation; (5) failure to register or update information on the SAM website; and (6) failure to register or complete the SF-424 and SF-LLL in Grants.gov.

Review Criteria

In addition, any applicable priority consideration(s) is only one of many factors in making COPS Office funding decisions and does not guarantee an award.

Federal Policing Priorities

In addition to the criteria listed earlier, the COPS Office will provide priority points for agencies that respond affirmatively to the list of questions related to the activities outlined in the Federal Priorities for Policing Inventory. The inventory questions will help the U.S. Department of Justice evaluate the possibility for priority consideration, where appropriate, and identify potential gaps in training and technical assistance.

Administrative Compliance Review

All advancing applications will undergo an administrative compliance review. Past financial and programmatic performance with DOJ award funding will be considered in this review process. Past performance may affect the overall rating and ranking of an application. Factors that may be included in the past performance review include the following:

- The extent to which the applicant has adhered to all special conditions in the prior awards
- The extent to which the applicant has complied with programmatic and financial reporting requirements
- The extent to which the applicant has completed closeout of prior awards in a timely manner
- Whether the applicant has received financial clearances in a timely manner
- Whether the applicant has resolved any issues identified in an audit or on-site monitoring visit in a timely manner

- Whether the applicant has adhered to single audit requirements
- The extent to which the applicant has completed work and spent prior award funds in a timely manner

Pursuant to 2 C.F.R. Part 200 (“Uniform Guidance”), before award decisions are made, the COPS Office also reviews information related to the degree of risk posed by applicants. Among other things to help assess whether an applicant with one or more prior federal awards has a satisfactory record with respect to performance, integrity, and business ethics, the COPS Office checks whether the applicant is listed in SAM as excluded from receiving a federal award. The COPS Office also must review and consider any information about the applicant that appears in the nonpublic segment of the integrity and performance system accessible through SAM (currently, the Federal Awardee Performance and Integrity Information System, “FAPIIS”).

Applicants may review and comment on any information about them in SAM that a federal awarding agency previously entered in the designated integrity and performance system, and such applicant comments will also be reviewed and considered.

The COPS Office may contact applicants regarding budget and financial questions as part of the review process. This outreach is not an indication of funds or awarding decisions.

Senior Leadership Review

[Enter details if applicable]

Senior Leadership will submit formal recommendations for funding to the COPS Office Director.

Director’s Selection

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Director of the COPS Office, who may also give consideration to factors including prior funding history, current award balances, underserved populations, population served, geographic diversity, strategic priorities, past performance, significant concerns regarding ability of the applicant to administer federal funds, and available funding when making awards.

Federal Award Notices

Award notification will be sent electronically from JustGrants. This award notification will include instruction on enrolling in Automated Standard Application for Payments (ASAP) and accepting the award. Recipients will be required to log into JustGrants to review, sign, and accept the award. The notice of award will contain details about the award including start and end dates, funding amounts, and the award conditions. The Authorized Representatives must acknowledge having read and understood all sections of the award instrument and submit the required declaration and certification to accept the award; these steps will be completed electronically in JustGrants before you will be able to draw down funds or begin implementing the program. By accepting the award and the COPS Office

funding, your agency acknowledges that it will comply with these conditions and, if applicable, additional special conditions specific to your agency.

It is anticipated that awards will be announced on or after **[Enter date]**. Any public announcements will be posted on the [COPS Office website](#).

All award decisions are final and not subject to appeal.

To officially accept and begin your award, your organization must access your award package at <https://justgrants.usdoj.gov/>. Once you access your account, you will review and electronically sign the award document (including award terms and conditions) and, if applicable, the special award conditions or high-risk conditions within 45 days of the date shown on the award congratulatory letter, unless an extension is requested and granted. The two assigned Authorized Representatives (Law Enforcement Executive/Program Official and Government Executive/Financial Official) as described in the How to Apply section are required to sign the award package. If the Authorized Representative(s) changes between the time of application submission and award receipt, the Entity Administrator will need to update the Authorized Representative(s) in JustGrants. Your organization will not be able to draw down award funds until the COPS Office receives your signed award document. For more information on accepting your award, please visit the [JustGrants Training page](#) for step-by-step instructions.

For technical support with JustGrants, please call JustGrants Support at JustGrants.Support@usdoj.gov, or 833-872-5175. For programmatic assistance, please contact the COPS Office Response Center at AskCopsRC@usdoj.gov.

The Award Package

The award package is the document indicating your official award funding amount, the award number, the award terms and conditions, and award start and end dates.

The award start date indicated in the award package means that your organization may be reimbursed for any allowable costs incurred on or after this date. The duration of awards is **[enter award period]**.

Your **[enter fiscal year]** award number is in the following format: **[Enter award number format here]** The COPS Office tracks award information based upon this number; therefore, it is important to have your organization's award number (or your organization's UEI number) readily available when corresponding with the COPS Office.

The award terms and conditions are listed in the award package. In limited circumstances, your award package may include additional special conditions or high-risk conditions that prevent your organization from drawing down or accessing award funds until the special conditions or high-risk conditions are satisfied as determined by the COPS Office.

By accepting the award, you are acknowledging that you are obtaining federal funds from the COPS Office. As part of that agreement, if awarded funds, your organization will acknowledge that it will comply with all applicable award terms and conditions including any special or high-risk conditions.

Administrative and National Policy Requirements

If selected for funding, in addition to implementing the funded project consistent with the approved project proposal and budget, the recipient must comply with award terms and conditions and other legal requirements including, but not limited to, OMB, DOJ, or other federal regulations that will be included in the award or incorporated into the award by reference or are otherwise applicable to the award.

The COPS Office strongly encourages applicants to review applicable requirements and terms and conditions prior to submitting an application. Terms and conditions for COPS Office awards are available on the COPS Office website in the Application Resource Guide. Terms and conditions are subject to change before the award is issued. The [Enter program here] Resource Guide also contains additional requirements which apply to this application and award, including audit requirements, suspension, and termination requirements.

Terms, Conditions, and Award Requirements

Please review carefully the [Enter program here] Resource Guide for a full description of each of the listed terms, conditions, and other requirements for this COPS Office program. By submitting your application, your organization assures the COPS Office that you agree to the terms, conditions, and requirements. If awarded funds, by accepting your COPS Office award, your organization agrees to comply with all of the terms, conditions, and other requirements in your award package and any additional special or high-risk conditions that may be imposed on your award.

Administrative Actions and Legal Remedies Related to Federal Awards

Please be advised that an application may not be funded or, if awarded, a hold may be placed on this application if it is deemed that the applicant is not in compliance with federal civil rights laws, is not cooperating with an ongoing federal civil rights investigation, or is not cooperating with a U.S. Department of Justice award review or audit.

Misuse of COPS Office funds or failure to comply with all COPS Office award requirements may result in legal sanctions including suspension and termination of award funds, the repayment of expended funds, ineligibility to receive additional COPS Office funding, and other remedies available by law.

Under the False Claims Act, any credible evidence that a person has submitted a false claim or has committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity,

or similar misconduct involving COPS Office funds may be referred to the Office of Inspector General (OIG). The OIG may be contacted at oig.hotline@usdoj.gov, <https://oig.justice.gov/hotline/index.htm>, or 800-869-4499.

Remedies for Noncompliance

Under 2 C.F.R. § 200.339, if the recipient fails to comply with award terms and conditions, the Federal awarding agency may impose additional conditions or take one or more of the following actions as appropriate in the circumstances:

- Temporarily withhold cash payments pending correction of the deficiency by the non-Federal entity or more severe enforcement action by the Federal awarding agency or pass-through entity.
- Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
- Wholly or partly suspend or terminate the Federal award.
- Initiate suspension or debarment proceedings as authorized under 2 C.F.R. Part 180 and Federal awarding agency regulations (or in the case of a pass-through entity, recommend such a proceeding be initiated by a Federal awarding agency).
- Withhold further Federal awards for the project or program.
- Take other remedies that may be legally available.

Prior to imposing sanctions, the COPS Office will provide reasonable notice to the recipient of its intent to impose sanctions and will attempt to resolve the problem informally. Appeal procedures will follow those in the U.S. Department of Justice regulations in 28 C.F.R. Part 18.

Awards terminated due to noncompliance with the federal statutes, regulations, or award terms and conditions will be reported to the integrity and performance system accessible through SAM (currently FAPIIS).

False statements or claims made in connection with COPS Office awards may result in fines, imprisonment, debarment from participating in federal awards or contracts, and any other remedy available by law.

Please be advised that recipients may not use COPS Office funding for the same item or service also funded by another U.S. Department of Justice award.

Freedom of Information Act and Privacy Act (5 U.S.C. §§ 552 and 552a)

All applications submitted to the COPS Office (including all attachments to applications) are subject to the federal Freedom of Information Act (FOIA) and to the Privacy Act. By law, DOJ may withhold information that is responsive to a request if DOJ determines that the responsive information is protected from disclosure under the Privacy Act or falls within the scope of one or more of the nine statutory exemptions under FOIA. DOJ cannot agree not to release some or all portions of an application/award file in advance of a request pursuant to the FOIA.

In its review of records that are responsive to a FOIA request, the COPS Office will withhold information in those records that plainly falls within the scope of the Privacy Act or one of the statutory exemptions under FOIA. (Some examples include certain types of information in budgets and names and contact information for project staff other than certain key personnel.) In appropriate circumstances, the COPS Office will request the views of the applicant/recipient that submitted a responsive document.

COPS Office Other Information

Reporting, monitoring, and evaluation requirements

Reporting

If awarded, your organization will be required to submit quarterly Standard Form 425, Federal Financial Reports (FFR) as well as semiannual Programmatic Performance Reports. Recipients should be prepared to track and report program award funding separately from other funding sources (including other COPS Office federal awards) to ensure accurate financial and programmatic reporting on a timely basis. Recipients should ensure that they have financial internal controls in place to monitor the use of program funding and ensure that its use is consistent with the award terms and conditions. Good stewardship in this area includes written accounting practices, use of an accounting system that tracks all award drawdowns and expenditures, and the ability to track when award-funded positions are filled or approved purchases are made. Failure to submit complete reports or submit reports in a timely manner will result in the suspension and possible termination of a recipient's COPS Office award funding or other remedial actions.

Monitoring

Federal law requires that agencies receiving federal funding from the COPS Office be monitored to ensure compliance with their award conditions and other applicable statutory regulations. The COPS Office is also interested in tracking the progress of our programs and the advancement of community policing. Both aspects of award implementation—compliance and programmatic benefits—are part of the monitoring process coordinated by the U.S. Department of Justice.

Awarded organizations will be responsible for submitting Programmatic Performance Reports on a semiannual basis and SF-425 - Federal Financial Reports on a quarterly basis. In addition, awarded organizations will be responsible for the timely submission of a final Closeout Report and any other required final reports. All COPS Office recipients will be required to participate in such award monitoring activities of the U.S. Department of Justice, including but not limited to the COPS Office, the Office of the Inspector General, or any entity designated by the COPS Office.

Please note that the COPS Office may take a number of monitoring approaches, such as site visits, enhanced office-based award reviews, alleged noncompliance reviews, and periodic surveys to gather information and to ensure compliance. The COPS Office may seek information including, but not limited to, your organization's compliance with nonsupplanting and both programmatic and financial requirements of the award, and your organization's progress toward achieving your community policing strategy. Grant Operations staff are particularly interested in confirming that the purchase of items and/or services is consistent with the applicant's approved award budget as reflected on the Financial Clearance Memorandum and Final Funding Memorandum.

If awarded funds, you agree to cooperate with and respond to any requests for information pertaining to your award in preparation for any of the above-referenced award monitoring activities.

Please feel free to contact your COPS Office Program Manager to discuss any questions or concerns you may have regarding the monitoring, reporting, and evaluation requirements.

Program Evaluation

Though a formal assessment is not a requirement, awarded organizations are strongly encouraged to conduct an independent assessment of their respective award-funded projects. Project evaluations have proven to be valuable tools in helping organizations identify areas in need of improvement, providing data of successful processes, and reducing vulnerabilities.

Selected award recipients shall be evaluated on the local level or as part of a national evaluation, pursuant to guidelines established by the Attorney General. Such evaluations may include assessments of individual program implementations. In select jurisdictions that are able to support outcome evaluations, the effectiveness of funded programs, projects, and activities may be required. Outcome measures may include crime and victimization indicators, quality of life measures, community perceptions, and police perceptions of their own work.

Financial Management and System of Internal Controls

Award recipients and subrecipients must, as set out in the Uniform Guidance at 2 C.F.R. § 200.303, do the following:

- Establish and maintain effective internal control over the federal award that provides reasonable assurance that [the recipient (and any subrecipient)] is managing the federal award in compliance with federal statutes, regulations, and the terms and conditions of the federal award. These internal controls should be in compliance with guidance in “Standards for Internal Control in the Federal Government” issued by the Comptroller General of the United States and the “Internal Control Integrated Framework” issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).
- Comply with federal statutes, regulations, and the terms and conditions of the federal awards.
- Evaluate and monitor [the recipient’s (and any subrecipient’s)] compliance with statutes, regulations, and the terms and conditions of federal awards.
- Take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings.
- Take reasonable measures to safeguard protected personally identifiable information and other information the federal awarding agency designates as sensitive or [the recipient (and any subrecipient)] considers sensitive, consistent with applicable federal, state, local, and tribal laws regarding privacy and obligations of confidentiality.

Audit Requirement

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 C.F.R. Part 200, Subpart F – Audit Requirements, available at <https://www.ecfr.gov/current/title-2/subtitle-A/chapter-II/part-200/subpart-F>, establish the requirements for organizational audits that apply to COPS Office award recipients. Recipients must arrange for the required organization-wide (not award-by-award) audit in accordance with the requirements of Subpart F.

Civil Rights

All recipients are required to comply with nondiscrimination requirements contained in various federal laws. A memorandum addressing federal civil rights statutes and regulations from the Office for Civil Rights, Office of Justice Programs will be included in the award package for award recipients. All applicants should consult the Assurances form to understand the applicable legal and administrative requirements.

Funding to Faith-Based Organizations

Faith-based or religious organizations are eligible, on the same basis as any other organization, to participate in any DOJ program for which they are otherwise eligible. A faith-based or religious organization that participates in DOJ-funded programs or services will retain its independence from government, and may continue to carry out its mission, including the practice and expression of its religious beliefs, as long as it does not use direct financial assistance from DOJ to support any explicitly religious activities, including activities that involve overt religious content such as worship, religious instruction, or proselytization. Further guidance on federal financial assistance for faith-based organizations can be found at [Civil Rights | Partnerships with Faith-Based and Other Neighborhood Organizations | Office of Justice Programs \(ojp.gov\)](#) and [Equal Treatment of Faith-Based Organizations in DOJ-Supported Social Service Programs](#).

Section 508 of the Rehabilitation Act

If you are an applicant using assistive technology and you encounter difficulty when applying, please contact the COPS Office Response Center at AskCopsRC@usdoj.gov.

The department is committed to ensuring equal access to all applicants and will assist any applicant who may experience difficulties with assistive technology when applying for awards using the JustGrants System.

Performance Measures

To assist in fulfilling the U.S. Department of Justice's responsibilities under the Government Performance and Results Act Modernization Act (GPRA Modernization Act) of 2010, P.L. 111-352), recipients who receive funding from the Federal Government must measure the results of work that funding supports. This act specifically requires the COPS Office and other federal agencies to set

program goals, measure performance against those goals, and publicly report progress in the form of funding spent, resources used, activities performed, services delivered, and results achieved.

Performance measures for this program will include the following:

- Extent to which COPS Office award funding (e.g., officers, equipment, training, technical assistance) has increased your agency's community policing capacity
- Extent to which COPS Office knowledge resources (e.g., publications, podcasts, training) have increased your agency's community policing capacity

The objective of these performance measures is to increase the capacity of law enforcement agencies to implement community policing strategies that strengthen partnerships for safer communities and enhance law enforcement's capacity to prevent, solve, and control crime through funding for personnel, technology, equipment, and training.

Recipients will rate the effectiveness of the COPS Office funding in increasing community policing capacity. Data will be collected on a periodic basis through performance reports.

COPS Office awards target increasing recipient capacity to implement community policing strategies within the three primary elements of community policing: (1) problem solving, (2) partnerships, and (3) organizational transformation. The COPS Office requires all applicants to describe how the personnel, technology, equipment, supplies, travel, or training requested will assist the applicant in implementing community policing strategies.

[Enter program performance measures]

As part of the programmatic performance reports, all recipients will be required to report on their progress toward implementing community policing strategies. Based on the data collected from recipients, the COPS Office may make improvements to the program to better meet the program's objective and law enforcement agency needs.
