ACTION: 60-Day notice.

SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of EOIR, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate the quality, utility, and clarity of the information to be collected; and/or
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Abstract: This information collection reauthorization and revision is necessary to allow an attorney or representative to notify the Board of Immigration Appeals (Board) or the Immigration Court that he or she is entering a limited appearance to assist a pro se respondent with a legal filing or other document to be filed with EOIR. Pursuant to the Final Rule, Professional Conduct for Practitioners—Rules and Procedures, and Representation and Appearances, 87 FR 56247 (Sept. 14, 2022) (effective Nov. 14, 2022), amending the regulations at 8 CFR 1003.2(g)(1), 1003.17(b) and (c), and 1003.38(g)(2), the agency received OMB approval to issue separate stand-alone forms for the entry of a limited appearance for document assistance before each adjudicatory component as the most appropriate method for the collection of this information. The separate forms EOIR-60 and EOIR-61 are intended to provide greater clarity to the practitioners using the forms, the pro se respondents who are only engaging with the practitioners in a limited capacity, and for the EOIR staff processing the forms. EOIR is revising the forms to account for expanded electronic filing options with the launch of the online EOIR Courts and Appeals System (ECAS) Respondent Access Portal (RAP) in July 2024. EOIR made revisions to Forms EOIR-60 and EOIR-61 to include updates to remove the mail only filing restrictions and inform

the users that they may review the EOIR Policy Manual for filing guidance. The Proof of Service section has been revised to include an option for individuals to indicate that they are serving the opposing party electronically through ECAS. The Privacy Act notice is also revised to correct the citation to the system of records notice (SORN) for the Attorney Discipline System, JUSTICE/EOIR-003, published at 85 FR 32423 (May 29, 2020), and to inform respondents that limited case information is also available online in English or Spanish through the EOIR Automated Case Information System at <https://acis.eoir.justice.gov/en/>. Finally, a sentence was added to the second page of the Form EOIR-60 to clarify and emphasize that limited appearances for document assistance are not available in Department of Homeland (DHS) proceedings that the Board has jurisdiction over.

Overview of This Information Collection

1. *Type of Information Collection:* Extension and Revision of a previously approved collection.

2. *The Title of the Form/Collection:* Notice of Entry of Limited Appearance for Document Assistance Before the Board of Immigration Appeals; and Notice of Entry of Limited Appearance for Document Assistance Before the Immigration Court.

3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* Forms EOIR-60 and EOIR-61; and the sponsoring DOJ component is EOIR.

4. *Affected public who will be asked or required to respond, as well as the obligation to respond:* The Affected Public includes Individuals, Attorneys and Representatives entering a limited appearance to assist a pro se respondent with a legal filing or other document to be filed with EOIR. This information collection is mandatory and required to enter an appearance before EOIR as authorized by 8 U.S.C. 1229(a), 1362 and 8 CFR 1003.38. Failure to provide the requested information will result in an inability to enter a limited appearance for document assistance.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that 40 respondents will complete Form EOIR-60 filed with the Board. It is estimated that 22,018 respondents will complete Form EOIR-61 filed with the Immigration Courts. It is estimated that each form takes approximately six minutes (0.10 hours) to complete.

6. *An estimate of the total annual burden (in hours) associated with the collection:* The total annual burden

hours for Forms EOIR–60 and EOIR–61 is 2,206 hours.

TOTAL BURDEN HOURS

Activity	Number of respondents	Frequency (annually)	Total annual responses	Time per response (mins)	Total annual burden (hours)
EOIR–60	40	1	40	6	4
EOIR–61	22,018	1	22,018	6	2,202
Totals	22,058	1	22,058	6	2,206

7. *An estimate of the total annual cost burden associated with the collection, if applicable:* There are no capital or start-up costs associated with these forms. There are no fees to file the forms. The forms may be filed electronically to eliminate printing and postage costs. Attorneys or other authorized representatives are expected to complete the forms. The United States Bureau of Labor Statistics estimates the median hourly fee for attorneys at \$72.67. Therefore, the cost for an attorney or other authorized representative to complete the form in 6 minutes is estimated at \$7.27 per submission (\$72.67 per hour \times 0.10 hours \times 1 response = \$7.27 per response). The total annual estimated cost burden to individuals is \$160,310.02 (2,206 total estimated burden hours \times \$72.67 per hour).
