

NOTE TO REVIEWERS

REVISION TO:

**SUPPORTING STATEMENT FOR THE
INFORMATION COLLECTION REQUIREMENTS OF
OCCUPATIONAL SAFETY AND HEALTH ONSITE CONSULTATION AGREEMENTS
(29 CFR Part 1908)
OFFICE OF MANAGEMENT AND BUDGET
(OMB) CONTROL NO. 1218-0110 (May 2025)**

OSHA is requesting a non-substantive change to the currently approved collection of information requirements contained in “Occupational Safety and Health Onsite Consultation Agreements” to add Appendix B to this clearance because it was mistakenly not included in the original submission to OMB for review and action.

The addition of Appendix B does not affect the current burden for this collection.
