Section I. Reporting Basics

a) Overview

This document provides information on using Treasury's Portal to submit the required Homeowner Assistance Fund (HAF) Quarterly Report. It supplements the [HAF Guidance on Participant Compliance and Reporting Responsibilities](#) containing relevant information on reporting requirements.

Additionally, you should visit Treasury's [HAF home page](#) for the latest guidance and updates on Programmatic and reporting topics.

HAF participants are required to submit quarterly reports with current performance and financial information, including background information about applications approved, applications received, Homeowners assisted, and financial information with details about obligations and expenditures.

b) What is Covered in this User Guide?

This User Guide contains detailed guidance and instructions for HAF participants in using Treasury's Portal for submitting the HAF Quarterly Report. All participants must submit the required Quarterly Report via Treasury's Portal. This guide is not comprehensive and is meant to be used as a functional reference and in conjunction with the documents mentioned above.

This User Guide provides detailed instructions to help recipients enter and submit the following:

- Programmatic data
- Expenditure data
- Compliance information

c) Definitions

Award Date means the date the HAF participant signed the HAF Financial Assistance Agreement.

Expended means any HAF assistance that a HAF participant or Subrecipient has spent. Please note cumulative Expenditures cannot exceed cumulative Obligations.

Homeowner means an individual who applied and/or receives funds from the HAF participant or Subrecipient to pay for a singular qualified expense (i.e., if a Homeowner receives HAF assistance for more than one qualified expense category, they are counted for more than one qualified expense category).

In some places, Guidance requires that you provide the number of unique Homeowners. Unique Homeowners are only counted one time even if they applied and or/received funding for more than one qualified expense category.

HAF Assistance means any assistance provided by the HAF Program, whether through funds received by the HAF Program for qualified expenses or through services made available by the HAF program.

Monetary HAF Assistance means HAF assistance in the form of money provided to Homeowners or on behalf of Homeowners to financial institutions, utility providers, and taxing authorities or other third-party payees under a HAF Program. Homeowners that received both Monetary and Non-monetary Assistance should be counted once as having received Monetary HAF Assistance.

Non-monetary HAF Assistance means HAF assistance in any form other than money provided to Homeowners under a HAF Program (e.g., housing counseling or referral to legal services, etc.). Only Homeowners that received Non-monetary HAF Assistance and no Monetary HAF Assistance are to be counted as having received Non-Monetary HAF Assistance.

Obligated means an order placed for property and services, contracts and subawards, and similar transactions requiring payment. (See [2 CFR § 200.1](#).) Obligated funds **include** funds that have been **Expended**.

Examples of Obligated funds include:

- o HAF funds that have been committed, pledged, or otherwise promised, in writing, to a specific individual or entity as part of a HAF Program
- o HAF funds that have been set aside to cover obligations arising from loan guarantees; HAF funds that have been committed, pledged, or otherwise promised, in writing, as part of a transaction
- o HAF funds that have been committed, pledged, or otherwise promised, in writing, for allowable administrative expenses (e.g., an executed contract for services).

d) Designating Staff for Key Roles in Managing HAF Reports User Designations

HAF participants must designate staff or officials for the following three roles in managing reports for their HAF award. Participants must make the required designations before accessing Treasury's Portal. The required roles are as follows:

- **Account Administrator** for the HAF award has the administrative role of maintaining the names and contact information of the designated individuals for HAF reporting. The Account Administrator is also responsible for working within your organization to determine its designees for the roles of Point of Contact for Reporting and Authorized Representative for Reporting and providing their names and contact information via Treasury's Portal. Finally, the Account Administrator is responsible for making any changes or updates to the user roles as needed over the award period. We recommend that the Account Administrator identify an individual to serve in their place in the event of staff changes.
- **Point of Contact for Reporting** is the primary contact for receiving official Treasury notifications about reporting on the HAF award, including alerts about upcoming reporting, requirements, and deadlines. The Point of Contact for Reporting is responsible for completing the HAF reports.
- **Authorized Representative for Reporting** or ARR is responsible for certifying and submitting official reports on behalf of the HAF participant. Treasury will accept reports or

other official communications only when submitted by the Authorized Representative for Reporting. The Authorized Representative for Reporting is also responsible for communications with the Treasury on extension requests and amendments of previously submitted reports. The official reports may include special reports, Quarterly or Annual reports, and final reports.

Some essential items to note:

- Each designated individual must register with ID.me or Login.gov to access Treasury's Portal.
- Users who have previously registered through ID.me may continue to access Treasury's Portal through that method. This [link](#) includes further instructions.
- If you have not previously registered with ID.me, you should register through Login.gov following this [link](#). The following links provide additional information:
 - o <https://login.gov/create-an-account/>
 - o <https://login.gov/help/get-started/create-your-account/>
- An individual may be designated for multiple roles. For example, the individual designated as the Point of Contact for Reporting may also be designated as the Authorized Representative for Reporting.
- The recipient may designate one individual for all three roles.
- Multiple individuals can be designated for each role.
- An organization may make changes and updates to the list of designated individuals whenever needed. The Account Administrator must process these changes.

Refer to [Appendix A](#) for guidance on designating individuals for the three roles.

The designated individuals' names and contact information will be pre-populated in the "Recipient Profile" portion of the participant's HAF reports, and recipients will update the information, if necessary.

Please contact HAF@treasury.gov for additional information on procedures for registering with ID.me or Login.gov.

e) Questions?

If you have any questions about the HAF Program's reporting requirements, please contact us by email via HAF@treasury.gov.

Helpful Tips/Shortcuts for Submitting Data to Treasury's Portal

Treasury's Portal leads you through a series of online forms that, when completed, will fulfill your reporting obligations. While navigating through Treasury's Portal and submitting required information for the Quarterly Report, users will need to enter data directly into Treasury's Portal manually.

1. Manual Data Entry

Manual data entry requires you to provide inputs as instructed on the screen. Manual inputs are described in detail below for each User Guide section.

Your inputs will be subject to validation by Treasury's Portal to ensure that the data provided is consistent with the expected format or description (e.g., entering "one hundred" instead of 100). If a given data entry fails a validation rule, Treasury's Portal will display an error for you to address.

You will not be able to submit manually entered data that does not satisfy the data validation rules.

2. Narrative Boxes

Tip: When filling out detailed narratives, you are encouraged to type out responses in a word processing application (such as Microsoft Word) to minimize grammatical errors, track word count, and concisely answer all required narrative details. You can copy and paste the final written narratives directly into the Treasury Portal text boxes.

3. Corrections and Resubmissions

Once information is entered into Treasury's Portal, the information will be accepted by Treasury's Portal as a record if there are no data validation errors.

After a participant's submission has been certified and submitted in the system by the Authorized Representative for Reporting, or ARR, it can be corrected or edited in the Portal by selecting the edit icon button next to the drafted or submitted report (see Figure 6). Participants may revise, recertify, and resubmit their Quarterly Report before the reporting deadline.

Section B: Questions and Answers

Who is authorized to designate the Account Administrator, the Point of Contact for Reporting, and the Authorized Representative for Reporting for my organization's HAF's award?

- Treasury requests that each HAF participant follow its own decision-making procedures in making the three designations for each award.

What is the deadline for making the designation?

- Treasury requests that users of Treasury's portal make the three designations as soon as possible to enable your organization to submit its Quarterly Report and Recovery Plan Performance Report (if applicable).

What are the responsibilities for each of the three designated roles?

- **Account Administrator** for the HAF award has the administrative role of maintaining the names and contact information of the designated individuals for HAF reporting. The Account Administrator is also responsible for working within your organization to determine its designees for the roles of Point of Contact for Reporting and Authorized Representative for Reporting and providing their names and contact information via Treasury's Portal. The Account Administrator can also view and submit reports. Finally, the Account Administrator is responsible for making any changes or updates as needed over the award period. We recommend that the Account Administrator identify an individual to serve in their place in the event of staff changes.
- **Point of Contact for Reporting** is the primary contact for receiving official Treasury notifications about reporting on the HAF award, including alerts about upcoming reporting, requirements, and deadlines. The Point of Contact for Reporting is responsible for completing the HAF reports but cannot certify and submit these reports.
- **Authorized Representative for Reporting** is responsible for certifying and submitting official reports on behalf of the HAF award recipient. Treasury will accept reports or other official communications only when submitted by the Authorized Representative for Reporting. For example, the individual designated as the Account Administrator can also be designated as the Authorized Representative for Reporting or Point of Contact for Reporting. It is also acceptable for an organization to designate one individual for all three roles; however, it should also adhere to any applicable personnel checks and balances rules.

May my organization designate more than one individual per role?

- Yes, you may designate more than one person per role but are encouraged to limit the number of users assigned to each role.

May my organization change the designations from time to time?

Must each of the designated individuals register for using Treasury's Portal?

Please contact us at the email address below for more information and guidance on registering with ID.me or Login.gov. If you are already registered with ID.me, you do not have to register to Login.gov to access your reports.

Additional Questions or Additional Assistance?

- If you have additional questions about accessing or using Treasury's portal to provide the designees' names and contact information, please email us at HAF@treasury.gov.
