

2022 NASA SBIR/STTR Solicitation Request for Information

Paperwork Reduction Act Statement:
This information collection meets the requirements of 44 U.S.C 3507, as amended by section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget control number. The OMB control number for this information collection is 2700-0153 and it expires on 07/31/2024. We estimate that it will take about 5 minutes to read the instructions, gather the facts, and answer the questions. You may send comments on our time estimate above to cale.m.rubenstein@nasa.gov. Send only comments relating to our time estimate to this address.

The purpose of this Request for Information is to engage industry and small businesses early on to build awareness, gain insights, and obtain feedback to shape the Program Year (PY) 22 NASA SBIR/STTR Solicitation and identify process improvements to elevate the customer experience.
