

Judge / Subject Matter Expert (SME) Survey

Thank you for participating as a NASA International Space Apps Challenge Subject Matter Expert. In order to provide an amazing experience for our Space Apps community we are asking for your feedback on the 2022 event. Please complete this short survey by **TBD**.

This information collection meets the requirements of 44 U.S.C 3507, as amended by section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget control number. The OMB control number for this information collection is 2700-0153 and it expires on 07/31/2024. We estimate that it will take about 10 minutes to read the instructions, gather the facts, and answer the questions. You may send comments on our time estimate above to hq-spaceapps@mail.nasa.gov. Send only comments relating to our time estimate to this address.

Is this your first time being a Judge / SME for NASA's Space Apps Challenge?

YES

NO

How satisfied are you with your experience working on the NASA Space Apps Challenge?*

Do you feel you had sufficient resources and support to prepare you for your role as a Judge / SME?*

YES

NO

What additional resources or support would have allowed you to feel more prepared in your role as a Judge / SME?*

Do you feel you had sufficient and timely communications from the Space Apps Team?*

YES

NO

How can we improve the communications between judges/SMEs and the Space Apps Team?*

Did you submit a Virtual Bootcamp video for your challenge?*

YES

NO

Why did you not submit a video for your challenge? (Select all that apply)*

A video was not necessary for this challenge

Insufficient time to prepare

Instructions were difficult and/or unclear

Other

What inspires you to continue your involvement in NASA's Space Apps Challenge?
(Select all that apply)*

Access to a broader community

☐

The opportunity to share my work broadly

☐

Sourcing new and innovative ideas

☐

It is helpful to my work

☐

It is a way to give back

☐

Other

☐

For project submissions to be more useful and/or relevant to your professional work, what would these submissions need to look like? What resources or support will participants require to accomplish this?*

How many projects were submitted that, in your opinion, could add value to your professional work if they were developed further?*

0

☐

1 - 5

☐

6 - 15

☐

16+

☐

Not Applicable

☐

If additional support was made available to certain teams to further develop their projects, would you be interested in engaging in that type of program?*

How likely are you to return as a Judge / SME in future NASA International Space Apps Challenges?*

Please use this section to provide any feedback on things you think we could do better.
