

Paperwork Reduction Act Statement:

This information collection meets the requirements of 44 U.S.C 3507, as amended by section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget control number. The OMB control number for this information collection is 2700-0153 and it expires on 07/31/2024. We estimate that it will take about 15 minutes to read the instructions, gather the facts, and answer the questions. You may send comments on our time estimate above to Keith.Gaddis@nasa.gov. Send only comments relating to our time estimate to this address.

Survey Questions in Text Format

1. What is your organization's name?
2. What are **your primary responsibilities** as a member of your organization?
(Check all that apply)
 - a. Administrative (e.g., allocate funding, program management)
 - b. Boundary organization (e.g., primarily inform other organizations' conservation activities)
 - c. Communication, education, and/or outreach
 - d. Conservation or management actions (on-the-ground activities)
 - e. Conservation or management planning
 - f. Science support (e.g., conduct, manage or plan research activities)
 - g. Other...
3. How often do you communicate with the NASA project team?
 - a. We rarely communicate
 - b. Weekly
 - c. 1-2 times per month
 - d. 2-3 times per year
 - e. Quarterly (4 times per year)
 - f. Annually
 - g. Other...
4. What is you or your organization's role in this project? (Select all that apply)
 - a. Proposal development (e.g., project conception, writing, editing)
 - b. Consultation/feedback on project deliverables (e.g., datasets, decision support tools)
 - c. We provide funding and/or in-kind support
 - d. We are no longer affiliated with this project
 - e. I'm not sure
 - f. Other...
5. What products did you expect to result from this project and, if applicable, have they come to fruition? (Select all that apply for each of the bellow of the following: Complete, Planned, In progress, Canceled, Status unknown, Not applicable)

- a. A decision framework
 - b. Custom dataset(s) or indices
 - c. Dedicated website
 - d. Digital tool
 - e. Written documents specific to my organization
 - f. Science or general knowledge
6. Please describe what, if any, project products have been or will be used in your organization's activities, and for what. If they have been used, what impact have they had?
7. **For each product that is or will be used by your organization, please list who is responsible for its maintenance or upkeep.** For example, if the project produced a web application to visualize predictions from a species distribution model, who is responsible for generating new predictions, maintaining the web tool, or ensuring the model uses the best available science? Entities responsible might include *your* organization, the PI's organization, a third party, or there may be no plan of succession at all.
