Screenshots of the programmed interview form:

Page 1

The desktop screenshot shows the top portion of the interview form. At the top center is the Pacific Research & Evaluation logo. Below it is a text box containing a Paperwork Reduction Act Statement and a Discussion Guide. The statement explains that the collection meets requirements of 44 U.S.C. 3507, as amended, and provides the OMB control number 2700-0153, which expires on 8/31/2027. It also provides an email address, HQ-EIC@nasa.gov, for comments. The discussion guide describes the partnership between NASA, NMNH, and Pacific Research & Evaluation. Below this is a question: "Which of the following describes you? (Select all that apply)". There are five checkboxes with corresponding descriptions: "I am a parent, caregiver, or legal guardian for youth between ages 13 and 18.", "I am an educator who offers science instruction to youth between ages 13 and 18.", "I am a student interested in and/or pursuing a STEM-related degree/career.", "I am a STEM professional, but I do not work with youth between ages 13 and 18.", and "None of the above." Below this is another question: "How often do you typically visit the National Museum of Natural History (NMNH)?" with three radio button options: "Today is my first visit to NMNH", "Repeat visitor within the last 2 years", and "Repeat visitor from over 2 years ago". At the bottom right is a blue "Next" button.

Paperwork Reduction Act Statement: This information collection meets the requirements of 44 U.S.C. 3507, as amended by section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget control number. The OMB control number for this information collection is 2700-0153, and it expires on 8/31/2027. We estimate it will take about five minutes to read the instructions, gather the facts, and answer the questions. You may send comments on our time estimate above to HQ-EIC@nasa.gov. Send only comments relating to our time estimate to this address.

Discussion Guide
The Earth Information Center at National Museum of Natural History exhibition was brought to the Museum through a partnership with NASA, where both organizations worked together to develop content and share expertise. They have partnered with Pacific Research and Evaluation (PRE) to talk with visitors about their experiences, what you liked, and how the exhibition impacted you.

Which of the following describes you? (Select all that apply)

☐ I am a parent, caregiver, or legal guardian for youth between ages 13 and 18.

☐ I am an educator who offers science instruction to youth between ages 13 and 18.

☐ I am a student interested in and/or pursuing a STEM-related degree/career.

☐ I am a STEM professional, but I do not work with youth between ages 13 and 18.

☐ None of the above.

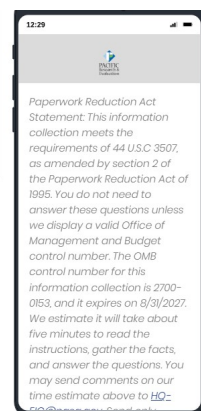

How often do you typically visit the National Museum of Natural History (NMNH)?

☐ Today is my first visit to NMNH

☐ Repeat visitor within the last 2 years

☐ Repeat visitor from over 2 years ago

The smartphone screenshot shows the top portion of the interview form, similar to the desktop version. It includes the Pacific Research & Evaluation logo, the Paperwork Reduction Act Statement, and the Discussion Guide. The question "Which of the following describes you? (Select all that apply)" is visible, along with the first three checkboxes: "I am a parent, caregiver, or legal guardian for youth between ages 13 and 18.", "I am an educator who offers science instruction to youth between ages 13 and 18.", and "I am a student interested in and/or pursuing a STEM-related degree/career." The "None of the above" option is partially visible at the bottom.
