### Application For Permit To Deliver Programs to Foreign Broadcast Stations

A. This form is to be used in applying under Section 325(c) of the Communications Act of 1934, as amended, for authority to locate, use, or maintain a studio in the United States for the purpose of supplying program material to a foreign radio or TV broadcast station whose signals are consistently received within the United States, or for extension of existing authority.

B. If the applicant holds a valid radio or TV broadcast station license or construction permit, an informal application (in letter form) may be used in lieu of this form. Any such informal application, however, must include full responses to Items 17 and 18.

D. If programs to be delivered to foreign station(s) are of a continuing nature (rather than isolated special events), notice thereof must be published and proof of publication submitted in accordance with Section 73.3580 of the Commission's Rules.

E. Where any material delivered to foreign broadcast stations under an authorization pursuant to section 325(c) of the Communications Act of 1934 has been sponsored by a foreign governmental entity; paid for by a foreign governmental entity; furnished for free by a foreign governmental entity as an inducement to air the material on the foreign station; or provided by the section 325(c) permit holder to the foreign station where the section 325(c) permit holder is a foreign governmental entity, disclosures thereof must be made in accordance with Section 73.1212 of the Commission's Rules.

F. This application must be personally signed by the applicant, if an individual; by a partner, if the applicant is a partnership; by an officer, if the applicant is a corporation; by a member (who is an officer), if the applicant is an unincorporated association; by a duly elected or appointed official empowered to do so under the laws of the jurisdiction, if the applicant is a government entity; or by the applicant's attorney in case of the applicant's physical disability or absence from the United States. If the attorney signs, he/she must separately set forth the reasons why the application is not signed by the applicant. Matters stated by attorneys on belief (rather than personal knowledge) must be supported by the reasons for such belief.

G. Answer all applicable items, and attach and number any required exhibit(s). If application is for extension of existing authority and information previously supplied is still accurate and complete, reference may be made under individual items to information "On File."

H. Authority to deliver programs to foreign broadcast stations is not granted or extended for periods of more than five years.
