
Form 426 Instructions

1. This form is to be used in applying for frequencies for the next season for an existing International Broadcast Station.
2. The name of the Callsign must match an active International Broadcast Station license.
3. Before filling out this application, the applicant should familiarize themselves with the Communications Act of 1934, as amended, Parts 1, 2, and 73 of the Commission's Rules and Regulations, and the International and Telecommunication Union's Radio Regulations, as appropriate.
