The Petitioner is encouraged to upload a single document in machine readable format, including all required information. The Petitioner must fill in all required fields, upload required documents, make all required certifications, and sign the form before submitting the petition.

Information Current and Complete

Information filed in the petition with the Commission must be kept current and complete under section [1.65](#) of the Commission's rules. 47 CFR § 1.65. The Petitioner or the party to the application must notify the Commission regarding any substantial and significant changes in the information provided in the petition while it remains pending.

FCC Notice Required By The Paperwork Reduction Act

The number of hours it will take to respond to the collection will vary depending on whether the Applicant is required to file responses to the Standard Questions for an Applicant with reportable foreign ownership with the Committee for the Assessment of Foreign Participation in the United States Telecommunications Services Sector (Committee). We have estimated that on average each response to this collection of information for a section 310(b) petition will be 25 hours (using in-house staff). If the Petitioner is required to file responses to the Standard Questions with the Committee, the average will be 85 hours (using in-house staff). Our estimate includes the time to read the instructions, review existing records, gather and maintain the required data, and complete and review the form or response. If you have any comments on this burden estimate, or on how we can improve the collection and reduce the burden, e-mail them to pra@fcc.gov or send them to the Federal Communications Commission, AMDPERM, Paperwork Reduction Project (3060-1163), Washington, DC 20554.

The Petitioner is not required to respond to a collection of information sponsored by the Federal government, and the government may not conduct or sponsor this collection, unless it displays a currently valid OMB control number or if we fail to provide you with this notice. This collection has been assigned an OMB control number of 3060-1163. This notice is required by the Paperwork Reduction Act of 1995, P.L. 104-13, October 1, 1995, 44 U.S.C. Section 3507.
