- Comply with all applicable Communications Assistance for Law Enforcement Act (CALEA) requirements and related rules and regulations, including any and all FCC orders and opinions governing the application of CALEA, pursuant to the Communications Assistance for Law Enforcement Act and the Commission's rules and regulations in Title 47, part 1, subpart Z;
- Make communications to, from, or within the United States, as well as records thereof, available in a form and location that permits them to be subject to a valid and lawful request or legal process in accordance with U.S. law, including but not limited to:
 - The Wiretap Act, 18 U.S.C. § 2510 et seq.;
 - The Stored Communications Act, 18 U.S.C. § 2701 et seq.;
 - The Pen Register and Trap and Trace Statute, 18 U.S.C. § 3121 et seq.; and
 - Other court orders, subpoenas or other legal process;
- Designate a point of contact who is located in the United States and is a U.S. citizen or lawful U.S. permanent resident, for the execution of lawful requests and as an agent for legal service of process;
- Ensure the continuing accuracy and completeness of all information submitted, whether at the time of submission of the application or subsequently in response to either the Commission or the Committee's request, as required under section 1.65(a) of the Commission's rules, and to inform the Commission and the Committee of any substantial and significant changes while an application is pending;
- Ensure that after the application is no longer pending for purposes of section 1.65 of the Commission's rules, it will notify the Commission and the Committee of any changes in the authorization holder or licensee information and/or contact information promptly, and in any event within thirty (30) days; and
- Fulfill the conditions and obligations set forth in the certifications set out in section 63.18(q) of the Commission's rules or in the grant of an application or authorization and/or that if the information provided to the United States Government is materially false, fictitious, or fraudulent, it may be subject to all remedies available to the United States Government, including but not limited to revocation and/or termination of the Commission's authorization or license, and criminal and civil penalties, including penalties under 18 U.S.C. § 1001.

General Certification Statements

- For cable landing licenses granted on or after March 15, 2002, the Assignee certifies that it accepts and will abide by the routine conditions in section 1.767(g) of the Commission's rules, including but not limited to:
 - acknowledges that the licensee(s) are prohibited from agreeing to accept special concessions directly or indirectly from any foreign carrier, including any entity that owns or controls a foreign cable landing station, where the foreign carrier possesses sufficient market power on the foreign end of the route to affect competition adversely in the U.S. market, and from agreeing to accept special concessions in the future;
 - shall maintain de jure and de facto control of the U.S. portion of the cable system, including the cable landing stations in the United States, sufficient to comply with the requirements of the Commission's rules and any specific conditions of the license;
 - shall comply with the requirements of section 1.768 of the Commission's rules;
 - must notify the Commission within 30 days of the date the cable is placed into service;
 - acknowledge that the cable landing license shall expire 25 years from the in-service date, unless renewed or extended upon proper application. Upon expiration, all rights granted under the license shall be terminated;
 - shall file annual international circuit capacity reports as required by section 43.82 of the Commission's rules;
 - shall file submarine cable outage reports as required in 47 CFR part 4;
 - acknowledges that the cable landing license is revocable by the Commission after due notice and opportunity for hearing pursuant to section 2 of the Cable Landing License Act, 47 U.S.C. § 35, or for failure to comply with the terms of the license or with the Commission's rules.
- For cable landing licenses granted before March 15, 2002, the Assignee certifies that it accepts and will abide by the conditions set out in the cable landing license, as modified.
- The Applicant certifies that it has provided all the required information and certifications under section 1.767 of the Commission's rules.
- The Applicant(s) certifies that, pursuant to section 1.767(j) of the Commission's rules, on the date of filing this application with the Commission, it shall also send a complete copy of the application, or any major amendments or other material filings regarding the application, to: U.S. Coordinator, EB/CIP, U.S. Department of State, 2201 C Street, NW., Washington, DC 20520-5818; Office of Chief Counsel/NTIA, U.S. Department of Commerce, 14th St. and Constitution Ave., NW., Washington, DC 20230; and Defense Information Systems Agency, ATTN: GC/DO1, 6910 Cooper Avenue, Fort Meade, MD 20755-7088, and shall certify such service on a service list attached to the application or other filing.
- The Applicant certifies that neither it nor any other party to the application is subject to a denial of Federal benefits, including FCC benefits, pursuant to section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 862, because of a conviction for possession or distribution of a controlled substance. See 47 CFR § 1.2002(b) for the meaning of "party to the application" for these purposes. (This certification does not apply to applications filed in services exempted under § 1.2002(c) of the rules, or to Federal, State or local governmental entities or subdivisions thereof. See 47 CFR § 1.2002(c).)
- The Applicant certifies that all of its statements made in this application and in the attachments or documents incorporated by reference are material, are part of this application, and are true, complete, correct, and made in good faith.
