FCC Notice Required By The Paperwork Reduction Act

We have estimated that on average each report (using in-house staff) will take 2 hours to complete. Our estimate includes the time to read the instructions, rules, look through existing records, gather and maintain the required data, and actually complete and review the form or response. If you have any comments on this burden estimate, or on how we can improve the collection and reduce the burden it causes you, please e-mail them to pra@fcc.gov or send them to the Federal Communications Commission, AMDPERM, Paperwork Reduction Project (3060-0944), Washington, DC 20554.

The Licensee is not required to respond to a collection of information sponsored by the Federal government, and the government may not conduct or sponsor this collection, unless it displays a currently valid OMB control number or if we fail to provide you with this notice. This collection has been assigned an OMB control number of 3060-0944. This notice is required by the Paperwork Reduction Act of 1995, P.L. 104-13, October 1, 1995, 44 U.S.C. Section 3507.

For Assistance

For technical assistance with completing the forms, contact the ICFS Helpline at (202) 418-2222 or ICFSINFO@fcc.gov. For general questions about the form requirements, contact the Office of International Affairs, Telecommunications and Analysis Division at (202) 418-1480 or at FCC-OIA-TAD@fcc.gov.

FILING INSTRUCTIONS

Remember to save your draft application periodically by clicking the save button. ICFS will time-out after 15 minutes of no activity, and failure to save will result in loss of any information entered into the application form after the last save.

Licensee Information

Item 1. Enter the information requested. Some data will be pre-populated using the data associated with Licensee's FCC Registration Number (FRN).

When the Licensee enters its FRN, the Licensee Information will pre-populate with its FRN data in CORES. To modify these pre-populated data, update the data associated with the FRN in CORES. However, a few fields are editable in this item in the SCL-LIC form (Attention, Title, Phone, Fax, and Email fields are editable).

Enter any missing data and sections that are not already populated from CORES, such as the "Licensee Legal Entity Type" field.

Contact Information

Item 2. Identify the contact representative, if different from the Licensee. The contact information can be imported automatically from CORES if the Licensee supplied an FRN, but fields are still editable. If the contact representative is the same as the person indicated in Item 1, then check the box "Same as Licensee." If the contact representative is not the same as the Licensee, provide the requested information.

- Provide the name of a person in your organization, your outside counsel, or other representative whom we can contact if there are questions regarding your application. This person should have decisional authority over the contents of your application.
- Provide the Company name if different from the "Licensee" name in Item 1 or repeat "Company" name here.
- Provide the contact representative's address, phone number, fax number, and email.
- Provide your "Doing Business As (DBA)" name. If the Licensee is not operating its business using a DBA, you may leave this section blank.
- Indicate how the contact person is related to the Licensee by selecting a choice from the drop-down "Relationship" menu. For example, select "Legal Counsel" if the contact is the Licensee's counsel. Selecting "other" will open a text box for entry of a description of the relationship.

Report Information

Item 3. Provide a short description of the report. This description will show up in the list of Licensee's filings in the "My Filings" tab in ICFS and help to identify the report.

Item 4. Identify the applicable reporting period for the section 1.767(l) quarterly reports.

Item 5. Identify the names of the submarine cable(s) for which you hold a cable landing license(s) and for which the Licensee is required to file section 1.767(l) quarterly reports. If your cable name is not findable by ICFS, select "other" in Item 5a and then type the cable name(s) in the box.

Item 6. Identify the destination market the Licensee's affiliate is classified as dominant and required to comply with section 1.767(l) of the Commission's rules.

Item 7. Indicate whether the Licensee is requesting confidential treatment of the data. **If you are requesting confidential treatment, the Licensee must submit a request for confidentiality in a separate attachment accompanying this form and file both redacted and non-redacted version of the reports.**

Section 1.767(l)(1) Quarterly Report - Provisioning and Maintenance

May 2025

Item 8. This item asks for provisioning and maintenance information required by section 1.767(l)(1) of the Commission’s rules. **If the Licensee requests confidential treatment for this report, do not fill in the table in this question, and instead provide the Provisioning and Maintenance information in an uploaded confidential attachment (including an explanation for the request for confidentiality).** The Provisioning and Maintenance information in the attachment must be provided in the same format that is set out in the table in this question. See the instructions below in the Attachments/Confidential Treatment of Attachments for more information on confidential attachments.

If the Licensee does not seek confidential treatment for the Provisioning and Maintenance information, provide the information set out below by filling out in the table on the form:

1. **Name of Cable System.** Provide the name of the cable system.
2. **Dominant Carrier Route.** Select the relevant route(s) from the drop-down menu of countries.
3. **Facilities and Services Provided.** Describe the facilities and services provided. For example, submarine cable circuits for Private Leased Line; submarine cable circuits for IPVPN, Internet and Etherlink; and submarine cable circuits for TV, Voice and CES/VC).
4. **Volume or Quantity Provisioned.** Enter information as a numerical value and the units of measure.
5. **Time Interval Between Order and Delivery.** Enter information as a numerical value and the time units utilized (seconds, minutes, etc.).
6. **Number of Outages.** Enter information as a numerical value.
7. **Intervals between Fault Report and Facility or Service Restoration.** Enter information as a numerical value and any other necessary descriptive language, if needed.

Section 1.767(1)(2) Quarterly Report - Active and Idle or Equivalent Circuits by Facility

Item 9. This item asks for information regarding active and idle or equivalent circuits by facility required by [section 1.767\(1\)\(2\)](#) of the Commission’s rules. **If the Licensee requests confidential treatment for this report, do not fill in the table in this question, and instead provide the Active and Idle or Equivalent Circuits by Facility information in an uploaded confidential attachment (including an explanation for the request for confidentiality).** The Active and Idle or Equivalent Circuits by Facility in the attachment must be provided in the same format that is set out in the table in this question. See the instructions below in the Attachments/Confidential Treatment of Attachments for more information on confidential attachments.

If the Licensee does not seek confidential treatment for the Active and Idle or Equivalent Circuits by Facility information, provide the information set out below by filling out the table on the form:

1. **Name of Cable System.** Provide the name of the cable system.
2. **Dominant Carrier Route.** Select the relevant route(s) from the drop-down menu of countries.
3. **Terrestrial, Satellite, Submarine Cable.** Select the type of facility from the drop-down menu.
4. **Active Capacity (Gbps).** Enter information as a numerical value.
5. **Idle Capacity (Gbps).** Enter information as a numerical value.
6. **Total Circuits (Gbps).** The system will automatically calculate this field.

Waiver

Item 10. Indicate whether this Application includes a request for waiver of any Commission rules by checking “Yes” or “No.” If “Yes,” list the rules for which a waiver is sought in Item 10a. Provide an explanation for the waiver request in an attachment, along with other material information. The Filer may attach the waiver request statement by clicking the button in Item 10b or in the Attachments/Confidential Treatment of Attachments that follows.

Attachments

Item 11. If the application includes a waiver request and “yes” was selected in Item 10 above, then the Licensee must click the checkbox and attach a statement specifying the rule section(s) for which a waiver is being requested and including a justification for the requested waiver, along with other material

information.

Attachments/Confidential Treatment of Attachments

Item 12. If the Licensee is requesting confidential treatment for any of its attachments, answer this question “yes.” Otherwise, answer “no.”_

If the Licensee answers “yes” in item 12, then it must upload a supporting statement for the “confidential treatment request(s)” identifying the applicable rule(s) and providing other supporting materials or information. The Licensee must also upload both the Redacted Public version and the Non-Redacted Confidential version of the attachment(s) in the Attachments section which follows below.

The Licensee(s) can upload attachments in this section of the application. The Licensee(s) will identify the attachment(s) with a short name for easy identification of the information included in each attachment.

Note: Each document required to be filed as an attachment should be current as of the date of filing. Each page of every attachment must be identified with the number or letter, the number of the page, and the total number of pages.

In this item, the Licensee may use the upload button to upload its attachments. After uploading, the Licensee can describe the attachment. Also after uploading, the Licensee can click the confidential treatment button next the attachment name if it so desires. Clicking the confidential treatment button will trigger a request to upload both a redacted, public version of the attachment and a public supporting statement justifying the confidentiality request. Identify in the attachment the applicable rule(s) and provide other supporting materials or information. Documents designated for confidential treatment will not be publicly viewable in ICFS while the Commission considers the confidentiality request.

General Certification Statements

Item 13. The Licensee must certify acknowledgement of all requirements listed here and elsewhere in this form by clicking on the single indicated checkbox. These include:

- All information required by Section 1.767(l) has been included in the report.
- Application is true and correct. All Licensees must certify that all statements made in this application and in the attachment or documents incorporated by reference are material, are part of this application, and are true, complete, correct, and made in good faith.
-

Party Authorized to Sign

Items 14. Enter all of the required information in the table:

- the title of the person signing the report. If the Carrier is a corporation or other business entity, the person submitting the report must be an officer.
- the signature of the person signing the application.

The Licensee does not enter a date. ICFS will fill in the date automatically with the date on which the application is submitted.

WILLFUL FALSE STATEMENTS MADE ON THIS FORM ARE PUNISHABLE BY FINE AND/OR IMPRISONMENT (U.S. Code, Title 18, Section 1001), AND/OR REVOCATION OF ANY STATION AUTHORIZATION (U.S. Code, Title 47, Section 312(a)), AND/OR FORFEITURE (U.S. Code, Title 47, Section 503).
