28	PRIVACY ACT STATEMENT																																			
29																																				
30	Authority: The Commission is authorized to pursue this collection pursuant to the authority contained in 47 U.S.C. §§ 151, 154(i), 251(e).																																			
31																																				
32	Purpose: The Commission compiles and maintains a database of Public Safety Answering Points, called the Master PSAP Registry, as part of its effort to support the expeditious implementation of Enhanced 911 (E911) across the nation. Periodically, the Commission sends out letters to state officials requesting specific data to populate the database with accurate information. In addition, 911 Authorities may contact the Commission by sending this form to a designated email address to update the listings in the Master PSAP Registry. This form collects business contact information, which the Commission uses for implementation activities.																																			
33																																				
34																																				
35																																				
36	Routine Uses: The FCC may release information provided in this form when necessary and appropriate under 5 U.S.C. § 552a(b) of the Privacy Act to: the public in FCC releases of notices or actions or when required to comply with federal laws or FCC regulations requiring public disclosure of the information contained in our records; to third parties, including individuals and businesses in the communications industry and public safety, FCC vendors and their contractors, and to other federal agencies or state, local, U.S. territorial, and Tribal government entities to administer, support, participate in, or receive information related to
