Introduction

Welcome! Thank you for participating in this survey. This 15-minute survey asks questions on various topics such as employment and retirement, types of appliances in homes, reasons for moving to a new home, etc. We conduct this survey to compare different ways of asking questions, to help determine whether some versions of questions work better than others. The survey will also collect information about you and your household to determine your eligibility for future research studies.

The authority for the collection of this information for Opt-in Census Research Panel Survey (0607-0978) is provided under Title 13, United States Code, Sections 141, and 182. Per the Federal Cybersecurity Enhancement Act of 2015, your data are protected from cybersecurity risks through screening of the systems that transmit your data.

The purpose of collecting this information is to help improve Census Bureau survey methods. Personally identifiable information collected includes name, address, telephone/cell phone number, date of birth or age, email address, and race or ethnicity.

Your privacy is protected by the Privacy Act (Title 5, U.S. Code, Section 552a). Access to PII/BII is restricted to authorized personnel only and with staff that have a need to know. Routine uses of these data are limited to those identified in the Privacy Act System of Record Notice titled, COMMERCE/CENSUS-3, Special Censuses, Surveys, and Other Studies. The Census Bureau can use your responses only to produce statistics and is not permitted to publicly release your responses in a way that could identify you. Furnishing this information is voluntary. Failure to do so will produce no consequences but will limit the Census Bureau's attempts to improve survey methods.

Federal law keeps your answers confidential (Title 13, United States Code, Section 9). We estimate that this survey will take 15 minutes on average. Send comments regarding this estimate or any other aspect of this survey, including suggestions for reducing the time it takes to complete this survey to adm.pra@census.gov. This collection has been approved by the Office of Management and Budget (OMB). This eight-digit OMB approval number, 0607-0978, confirms this approval and expires on 01/31/2027.
