

## **OMB Control**

OMB Control #0693-0043

Expiration: 8/31/2028

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0693-0043. Without this approval, we could not conduct this survey/information collection. Public reporting for this information collection is estimated to be approximately 25 minutes per response, including the time for

reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are voluntary to obtain benefits. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden, to the National Institute of Standards and Technology at: 325 Broadway, Boulder, CO 80305, Attn: Scott Ledgerwood, [scott.ledgerwood@nist.gov](mailto:scott.ledgerwood@nist.gov).

## **Block 1**

Thank you for your interest in our study on virtual reality hazmat training for public safety!

The following questions will help us determine your eligibility to participate in this study. All answers are anonymous.

## Demographics

What is your age?

Do you have normal or corrected to normal vision?

- Yes  
 No

Are you a recruit or actively training to be a firefighter, police officer, or EMS?

- Yes  
 No

## Previous Training

Have you received or completed any hazardous materials training in the last four years?

Yes

No

How long ago did you receive this training? (Please list the year training was completed)

Please list or describe any hazardous materials training you have completed, including the courses you've taken.

Thank you for taking the time to complete this survey! We appreciate your continued interest. Based on the information you provided, you're invited to participate in our study on virtual reality hazmat training for public safety.

Please click the link below to schedule a day and time to participate:

**[Microsoft Bookings: Digital Twins for Public Safety](#)**

The study will be hosted at the Public Safety Immersive Test Center located at the FirstNet Technical headquarters:

3122 Sterling Circle  
Boulder, CO 80301

Thank you for taking the time to complete this survey! We appreciate your continued interest in our study. Based on your responses, you may not be eligible to participate at this time. A

researcher will review your answers and may be in contact with you about future study participation. If you'd like to be contacted, please enter your email address below.
