ASK	ALL
The U.S. Food and Drug Administration (FDA) is conducting the Health and Media Study across the United States. Your address was randomly chosen along with approximately 145,000 other addresses nationwide. We ask that an adult member of your household (18 or older) answer these questions to determine if any household members are selected to complete the study. If anyone is selected, they will be provided with a unique link to begin an online survey. If they complete the survey on or before [END DATE] they will receive \$25 [IF TODAY IS BEFORE EARLY BIRD DATE] and an additional \$5 if they complete it on or before [EARLY BIRD DATE]. (Note that parental permission is required before anyone under the age of 18 can participate.) Also, please understand that federal law keeps your answers confidential, your participation is voluntary, and you can refuse to answer any question. If you have questions about the study, call the project helpline toll-free at [866-800-9177 OR 877-834-7065]. If you have questions about your rights as a study participant, call Advarra's institutional review board (IRB) toll-free at 877-992-4724. Please indicate whether you are willing to answer a few questions to see if you or another household member are eligible to participate in the study. 1. Yes, I am willing to answer questions 2. No, I do not want to participate
