PUBLIC BURDEN STATEMENT:

The private, non-profit Organ Procurement and Transplantation Network (OPTN) collects this information for the following functions: to assess whether applicants meet OPTN Bylaw requirements for membership in the OPTN organizations with OPTN Obligations. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this information collection is 0915-0157. This information collection is required to obtain or retain a benefit per 42 CFR §121.11(b) (b) Act protection (Privacy Act System of Records #09-15-0055). Data collected by the private non-profit OPTN is protected by the Contractor's security features. The Contractor's security system meets or exceeds the requirements of a Security of Federal Automated Information Systems, and the Department's Automated Information System. The reporting burden for this collection of information is estimated to average 0.27 hours per response, including reviewing existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to HRSA.
