Preventative Health and Health Services Block Grant: Workplan Start and Advisory Committee Questions OMB Information:

Form Approved: OMB 0920-0106

Expiration Date: 3/31/2027

The public reporting burden of this collection of information is estimated to average 2 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS 21-8, Atlanta, Georgia 30333

Preventative Health and Health Services Block Grant: Workplan Program Questions OMB Information:

Form Approved: OMB 0920-0106

Expiration Date: 3/31/2027

The public reporting burden of this collection of information is estimated to average 10 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.
