Screener for Long-Term Care Facility (LTCF) Resident and Family Interviews  
*March 25, 2025 Final*

**Introduction**

---

Hello. My name is \_\_\_\_\_ and I'm calling from \_\_\_\_\_, an independent communications firm.

You indicated that you are interested in participating in a virtual one-on-one interview, to discuss your experiences and opinions regarding a health topic. **[DO NOT DISCLOSE THE EXACT TOPIC OF DISCUSSION BEFORE THE INTERVIEW.]** This activity is supported by the U.S. Centers for Disease Control and Prevention and interviews are being conducted by their contractual partner KRC Research.

I have a few questions to start. But first, to maintain participants' confidentiality, we will use first names only during the interview and your name will not be used in any study materials. CDC will not receive any personally identifying information that you provide. We will be asking you a few questions to ensure we are recruiting a variety of people, but the information will not be associated with your specific name.

**IF TERMINATED DURING SCREENING PROCESS: READ: "I'M SORRY, WE ALREADY HAVE ENOUGH INDIVIDUALS IN THAT CATEGORY. THANK YOU VERY MUCH FOR YOUR TIME."**

**IF INDIVIDUAL EXPRESSES CONCERN DURING SCREENING: NOTE CONCERN AND REASSURE APPROPRIATELY. REMIND THAT PARTICIPATION IS VOLUNTARY, AND ANSWERS AND PARTICIPATION ARE CONFIDENTIAL.**

Name: \_\_\_\_\_

Address (residence): \_\_\_\_\_

## Invitation

Thank you for answering all my questions. We respect your privacy and understand this information is confidential, and we will not disclose this information to anyone. We asked these questions because we want to speak with a variety of people who can provide their opinions and experiences. Based on your answers, we would like to invite you and your loved one who resides in a long-term care facility to participate in an interview activity. I will share some information and ask you if you are capable and interested in participating under the terms.

First, as stated previously, this activity involves a joint 45-minute interview that will require you and your loved one to be present in the same location together. You will need to find a time that works for you both to participate from a quiet, private location. The activity will involve a video call between you both and the interviewer. Instructions will be provided, but you will be expected to supply a video-connected computer or tablet and manage the logistics of the connection for you and your loved one. We request that you do not participate using a cell phone, so that the screen is large enough for the interviewer to see you both, and vice versa.

Second, as stated previously, you alone will be asked to participate in a 15-minute follow-up interview at a convenient time.

All interviews will be confidential and never be reported in association with personally identifying details like your names. To make sure we capture your remarks accurately, we will audio and video record the interviews. The purpose of

the recording is to make sure we report accurately.

You and your loved one will both receive \$75 as a token of appreciation for your participation, which will be provided to you both after completing the discussion.

After learning this information, is this something you are interested in and comfortable with?

Yes		<b><i>CONTINUE</i></b>
No		<b><i>THANK AND TERMINATE</i></b>
