Attachment 10 – Reminder Email

Greetings «First» «Last»,

This is a gentle reminder that the deadline for completing the web-based *Preventative Health and Health Services Block Grant Assessment* is **MM/DD/2025**.

The purpose of this assessment is to collect data and information on results or improvements achieved through the PHHS Block Grant from July 1, 2024 through June 30, 2025. The findings from this assessment will be used to inform CDC of the outputs and cross-cutting outcomes of the PHHS Block Grant, refine existing measures, and inform the development of future measures. Responses will be kept secure and results will be reported only in aggregate form. The findings will constitute an important component of the overall assessment of the PHHS Block Grant.

The questionnaire is voluntary and will take approximately 45 minutes to complete. You can access the questionnaire via the following unique link:
