General Comment

tghe pybulic has lost all faith in the CDC. the CDC should be totally defended and shut down. this agency should not operate any more at all. its dishonest. its integrity has been lost. the grade I would give their work is f minus or zero. this agency promotes I'll health and wasters our tax dollars. \$10 million to torture cats for wasteful stupid research. trillinso of dollars to this agency for non productivity. all glrants should be stopped and none new made.
