FORMS AND INSTRUCTIONS**

The Form CMS-2552-10, Hospital and Hospital Healthcare Complex Cost Report, updates the existing Form CMS-2552-10 by subsuming the Supplemental to Form CMS-2552-10 Payment Adjustment for Establishing and Maintaining Access to a Buffer Stock of Essential Medicines (OMB Control No. 0938-1473) and the Supplemental to Form CMS-2552-10 Payment Adjustment for Domestic NIOSH-Approved Surgical N95 Respirators (OMB Control No. 0938-1425). Subsuming the worksheets results in an increase to the burden for the Hospital and Hospital Healthcare Complex Cost Report of 1 hour. Changes to the revised cost report forms and instructions include:

1. Added Worksheet E-90, Payment Adjustment for Establishing and Maintaining Access to a Buffer Stock of Essential Medicines, and instructions
2. Added Worksheet E-95, Payment Adjustment for Domestic NIOSH-Approved Surgical N95 Respirators, and instructions
