Taglines are optional but encouraged for issuers outside the Exchange if they are not subject to language access standards under applicable Federal or State law. As a reminder, issuers covered by Section 1557 are responsible for providing timely and accurate language assistance in non-English languages, regardless of whether a tagline is provided in the language, if the provision of such language assistance is a reasonable step to provide meaningful access to an individual with limited English proficiency in the issuer's health programs or activities.¹

A non-QHP issuer offering coverage outside the Exchanges is subject to Section 1557 if any health program or activity of the issuer receives Federal financial assistance. See 45 CFR 92.2, 92.4. A QHP issuer offering plans outside of the Exchange may still have to comply with Section 1557 for its plans offered outside the Exchange if the QHP issuer is principally engaged in the provision or administration of health-related services, health-related coverage or other health-related coverage. Consequently, a QHP issuer must comply with the nondiscrimination requirements of Section 1557 for the issuer's plans offered both inside and outside the Exchanges.

If there are no such applicable tagline requirements, the following optional tagline may be inserted:

[1 Date]

[Address line 1]
[Address line 2]
[City][State][Zip]

Important: It's time to review your health coverage. **Update your [3 Exchange] application and pick a plan by [4 Date]**, or we'll automatically re-enroll you in the same or similar coverage for [5 Year]. This may change some of your costs and coverage, so review your options carefully.

Thank you for choosing [6 Issuer] for your health care needs. We're here to help you prepare for Open Enrollment.

Why am I getting this letter?

We're still offering your health coverage in [7 Year], but some details may have changed. Read this letter carefully and decide if you want to keep this plan or choose another one, then update your application with [8 Exchange].

What's changing in [9 Year]?

Your new premium

- **Starting in [10 Month], your new monthly premium amount is estimated to be \$[11 Dollar amount].**

Here's the math: Monthly premium of \$[12 Dollar amount] minus [13 Phrase or dollar amount] of possible financial help. Your actual monthly premium amount may be different because your financial help may change in [14 Year]. You'll find out your new monthly premium when you get your [15 Month] bill.

Important: This estimated monthly premium is based on current information we have for [16 Year]. It might not account for some or all changes that could impact your monthly premium, like cost changes in your area for next year, or changes to your household income or family size. To find out the actual amount of your monthly premium, update your [17 Exchange] application. For more information about updating your application, go to "What should I do next?" below.

- Your [18 Current year] monthly premium amount is \$[19 Dollar amount].

Here's the math: Monthly premium of \$[20 Dollar amount] minus \$[21 Dollar amount] of financial help you get each month.

Other changes

- [22 Briefly describe plan changes and/or refer to enclosed materials]
- You can review more details about your plan at [23 Issuer website] and in your [24 Year] Summary of Benefits and Coverage at [25 SBC web page].

What should I do next?

1. Update your [26 Exchange] application by [27 Date].

Review your [28 Exchange] application to make sure the information is still current and correct, and make any necessary updates. After you submit your updated application, you'll find out if you qualify for more or less financial help than in [29 Year]. This could mean you'll pay a lower monthly premium amount or lower out-of-pocket costs (like deductibles, copayments, and coinsurance). Plus, you might not owe money when you file your taxes.

[30 For automatic re-enrollment of consumers whose premium tax credit amount resulted in a \$0 premium in the current benefit year] **Important:** Our records show you had a \$0 monthly premium amount in [31 Year]. You must update your application to qualify for a \$0 monthly premium amount in [32 Next Year]. Depending on your updated information, your [33 Next Year] monthly premium amount could still be higher than it was in [34 Current Year].

2. Decide if you want to enroll in this plan or choose another one.

☐ I want to enroll in this plan.

Select [35 Plan name and ID] to enroll.

[36 For re-enrollment from a silver level QHP into a non-silver level QHP (except for Indian enrollees), insert: **Important:** This isn't a Silver plan in [37 Year]. This means you can't get financial help to lower your out-of-pocket costs if you stay in this plan. You must go back to [38 Exchange] and enroll in a Silver plan to find out if you qualify to get financial help. If you don't enroll in a Silver plan, any financial help you currently get to lower your out-of-pocket costs will end on December 31.]

☐ I want to pick a different plan.

You can choose a different plan between [39 Dates]. Enroll by [40 Date] for coverage to start January 1.]

Visit [41 Exchange website] to find other [42 Exchange] plans. Compare plans to save money and find one that best meets your needs and budget. Select the Plan name and ID of the plan you want to enroll in. You can also check with [43 Issuer] to find out what other plans may be available. Remember, you won't get financial help unless you qualify and enroll through [44 Exchange].

Note: If you got financial help in [45 Year] to lower your monthly premium, you must file federal income taxes and "reconcile" the premium tax credit you qualified for with the amount you used during [46 Year]. If the amounts are different, it may change the amount you owe or get back when you file your

federal income taxes. To reconcile the premium tax credit, you must complete IRS Form 8962 “Premium Tax Credit (PTC)” and include it with your federal tax return. For more information about the premium tax credit, visit: <https://www.irs.gov/affordable-care-act/individuals-and-families/the-premium-tax-credit-the-basics>.

Attachment 4: Notice for the individual market where coverage was in a QHP offered through the Exchange and the issuer is automatically enrolling the enrollee in a plan under a different product offered through the Exchange

[1 Date]

[2 [First Name]][Last Name]
[Address line 1]
[Address line 2] [City]
[State][Zip]

Important: Your plan will not be offered through the [3 Exchange] [4 in your area] next year. **Update your [5 Exchange] application and pick a plan by [6 Date]** or we'll automatically enroll you in a different [7 Exchange] plan. If you don't update your application, some of your costs and coverage may change, review your options carefully.

Thank you for choosing [8 Issuer] for your health care needs. [9 We're here to help you prepare for Open Enrollment].

Why am I getting this letter?

Starting [10 Date], we won't offer your current health coverage [11 in your area] [12 through the Exchange]. The last day of your current [13 Exchange] coverage is [14 Date]. Read this letter carefully and review your options, then update your application with [15 Exchange].

What's changing in [16 Year]?

Your new plan

We found another [17 Exchange] plan that may meet your needs. If you don't pick another plan by [18 Date], we'll automatically enroll you in [19 Plan name]. Your coverage in [20 Plan name] will start in [21 Month]. For more information about picking a new plan, go to "What should I do next?" below.

Your new premium

- **Starting in [22 Month], your new monthly premium amount is estimated to be: \$[23 Dollar amount].**

Here's the math: Monthly premium of \$[24 Dollar amount] minus [25 Phrase or dollar amount] of possible financial help. Your actual monthly premium amount may be different because your financial help may change [26 in Year]. You'll find out your new monthly premium when you get your [27 Month] bill.

Important: This estimated monthly premium is based on current information we have for [28 Year]. It might not account for some or all changes that could impact your monthly premium, like cost changes in your area for next year, or changes to your household income or family size. To find out the actual amount of your monthly premium, update your [29 Exchange] application. For more information about updating your application, go to "What should I do next?" below.

- Your [30 Current Year] monthly premium amount is \$[31 Dollar amount].

Here's the math: Monthly premium of \$[32 Dollar amount] minus \$[33 Dollar amount] of financial help you get each month.

Other changes

- [34 Briefly describe plan changes and/or refer to enclosed materials]
- You can review more details about this plan at [35 Issuer website] and in your [36 Year] Summary of Benefits and Coverage at [37 SBC web page].

If you want to pick another plan, enroll by [38 Date] to make sure you have the coverage you want.

What should I do next?

1. Update your [39 Exchange] application by [40 Date].

Review your [41 Exchange] application to make sure the information is still current and correct and make any necessary updates. After you submit your updated application, you'll find out if you qualify for more or less financial help [42 in Year] than you're getting now. This could mean you'll pay a lower monthly premium amount or lower out-of-pocket costs (like deductibles, copayments, and coinsurance). Plus, you might not owe money when you file your taxes.

[43 For automatic re-enrollment of consumers whose premium tax credit amount resulted in a \$0 premium in the current benefit year] **Important:** Our records show you had a \$0 monthly premium amount in [44 Year]. You must update your application to qualify for a \$0 monthly premium amount in [45 Next Year]. Depending on your updated information, your [45 Next Year] monthly premium amount could still be higher than it was in [46 Current Year].

2. Decide if you want to enroll in this plan or choose another one.

☐ I want to enroll in this plan

Select [47 Plan name and ID] to enroll.

[48 For re-enrollment from a silver level QHP into a non-silver level QHP (except for Indian enrollees), insert: **Important:** This isn't a Silver plan in [49 Year]. This means you can't get financial help to lower your out-of-pocket costs if you enroll in this plan. You must go back to [50 Exchange] and enroll in a Silver plan to find out if you qualify for financial help. If you don't enroll in a Silver plan, any financial help you currently get to lower your out-of-pocket costs will end on [51 Date].]

☐ I want to pick a different plan.

- You can choose a different plan between [52 Dates]. Enroll by [53 Date] for coverage to start [54 Date].

Visit [55 Exchange website] to find other [56 Exchange] plans. Compare plans to save money and find one that best meets your needs and budget. Select the Plan

name and ID of the plan you want to enroll in. You can also check with [57 Issuer] to find out what other plans may be available.

[58 **Important:** You may be able to keep your current coverage, but [59 in Year] it won't be offered [60 as a Silver plan] through [61 Exchange.] Remember, you won't get financial help [62 to lower your out-of-pocket costs] unless you qualify and enroll [63 in a Silver plan] through [64 Exchange].

Note: If you got financial help in [65 Year] to lower your monthly premium, you must file federal income taxes and “reconcile” the premium tax credit you qualified for with the amount you used during [66 Year]. If the amounts are different, it may change the amount you owe or get back when you file your federal income taxes. To reconcile the premium tax credit, you must complete IRS Form 8962 “Premium Tax Credit (PTC)” and include it with your federal tax return. For more information about the premium tax credit, visit: <https://www.irs.gov/affordable-care-act/individuals-and-families/the-premium-tax-credit-the-basics>

Health insurance issuers are prohibited from employing marketing practices or benefit designs that will have the effect of discouraging the enrollment of individuals with significant health needs in health insurance coverage or discriminate based on an individual's race, color, national origin, present or predicted disability, age, sex, expected length of life, degree of medical dependency, quality of life, or other health conditions.

Taglines are optional but encouraged for issuers outside the Exchange if they are not otherwise subject to language access standards under applicable Federal or State law. As a reminder, issuers covered by Section 1557 are responsible for providing timely and accurate language assistance in non-English languages, regardless of whether a tagline is provided in the language, if the provision of such language assistance is a reasonable step to provide meaningful access to an individual with limited English proficiency in the issuer's health programs or activities.⁴

For QHP issuers subject to Section 1557 that are principally engaged in the provision or administration of health-related services, health-related coverage or other health-related coverage, all of the issuer's operations are considered part of the health program or activity, with limited exceptions. Consequently, a QHP issuer must comply with the nondiscrimination requirements of Section 1557 for the issuer's plans offered both inside and outside the Exchanges. A non-QHP issuer offering coverage outside the Exchanges might also be subject to Section 1557 if any health program or activity of the issuer receives Federal financial assistance.

If there are no such applicable tagline requirements, the following optional tagline may be inserted:

Important: Your health coverage is ending. **Update your [3 Exchange] application and pick a different plan by [4 Date],** or you may not have health coverage in [5 Year].

Thank you for choosing [6 Issuer] for your health care needs. [7 We're here to help you prepare for Open Enrollment.]

Why am I getting this letter?

Starting [8 Date], we won't offer your current health coverage [9 in your area] [10 through the Exchange]. The last day of your current [11 Exchange] coverage is [12 Date].

Review your coverage options and pick a different plan between [13 Dates]. **Enroll in a different plan by [14 Date] to avoid a gap in your coverage.** If you don't have health coverage, you'll have to pay for all of your health care.

What should I do next?

1. Update your [15 Exchange] application by [16 Date].

Review your [17 Exchange] application to make sure the information is still current and correct and make any necessary updates. After you submit your updated application, you'll find out if you qualify for more or less financial help in [18 Year] than you're getting now. This could mean you'll pay a lower monthly premium amount or lower out-of-pocket costs (like deductibles, copayments, and coinsurance). Plus, you might not owe money when you file your taxes.

[19 *For automatic re-enrollment of consumers whose premium tax credit amount resulted in a \$0 premium in the current benefit year*] **Important:** Our records show you had a \$0 monthly premium amount in [20 Year]. You must update your application to qualify for a \$0 monthly premium amount in [21 Next Year]. Depending on your updated information, your [22 Next Year] monthly premium amount could still be higher than it was in [23 Current Year] if [24 Exchange] automatically enrolls you in a plan it picks for you.

2. Choose a different plan.

- Visit [25 Exchange website] to find other [26 Exchange] plans. Compare plans to save money and find one that best meets your needs and budget. Select the Plan name and ID of the plan you want to enroll in.

If you don't enroll in a plan on your own, [27 Exchange] may automatically enroll you in one.

- Check with [28 Issuer] to find out what other plans may be available, and if you can purchase the plan you now directly through [29 Issuer].

[30 **Important:** You may be able to keep your current coverage, but in [31 Year], it won't be offered [32 as a Silver plan] [33 through the Exchange]]. Remember, you won't get financial help [34 to lower your out-of-pockets costs] unless you qualify and enroll [35 in a Silver plan] through [36Exchange].

Note: If you got financial help in [37 Year] to lower your monthly premium, you must file federal income taxes and "reconcile" the premium tax credit you qualified for with the amount you used during [38 Year]. If the amounts are different, it may change the amount you owe or get back when you file your federal income taxes. To reconcile the premium tax credit, you must complete IRS Form 8962 "Premium Tax Credit (PTC)" and include it with your federal tax return. For more information about the premium tax credit, visit: <https://www.irs.gov/affordable-care-act/individuals-and-families/the-premium-tax-credit-the-basics>
