Medical Legal Partnership+ Training and Technical Assistance (TTA) Needs Follow Up

Start of Block: Default Question Block

Through conversations and reviewing PPRs we heard that the following topics were important to you:

- Medicaid reimbursement
- Managed care engagement
- Sustainability of funding sources
- Data sharing with health care partners
- Advocacy area forum on the following: SSA, SPED, Housing, Medicaid, Managed care
- How to tell the story of an MLP using quantitative/qualitative data

Please help us further understand your needs in order to best design and facilitate future sessions.
