Question Bank for Technical Assistance (TA) Polls & Discussion Prompts

PAPERWORK REDUCTION ACT OF 1995 (Public Law 104-13) STATEMENT OF PUBLIC BURDEN: The purpose of this information collection is to obtain feedback regarding technical assistance received. Public reporting burden for this collection of information is estimated to average 5 minutes per respondent, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. This is a voluntary collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995, unless it displays a currently valid OMB control number. The OMB # is 0970-0401 and the expiration date is 5/31/2027. If you have any comments on this collection of information, please contact Carrie Liston, cliston@edc.org.

This document includes a bank of data collection questions to gather participant feedback of NCASE TA. Relevant items will be selected for each session. In any one session, participants would spend no more than 5 minutes responding to relevant questions.

Polls (During a webinar or PLG session)

What are you hoping to get out of this session? Select all that apply.

- Increase collaboration within my state around this topic
- Learn specific strategies and practices to apply to my state

- Communicated with PLG participants from other states
- Other

Would you like to continue to meet with your PLG lead on a periodic basis to continue strengthening your partnership work?

- Yes
- No

Would you like to meet with other states on a periodic basis to continue fostering these partnerships?

- Yes
- No

Discussion Prompts (During a webinar or PLG session)

Partnerships are important because...

What is one thing you wish other organizations knew about you?

What is something you would like to learn more about from this organization?

Who are your regular partners?

How does your organization benefit from those partnerships?

How has your organization been successful in using multiple funding sources?
