[PO #4820000251; Order #02412-014-004-047181.0]

Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Comment Request; Free Use Application and Permit for Vegetative or Mineral Materials

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of information collection; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (PRA), the Bureau of Land Management (BLM) proposes to renew Office of Management and Budget (OMB) approval for an information collection.

DATES: Interested persons are invited to submit comments on or before September 8, 2025.

ADDRESSES: Written comments and recommendations for this information collection request (ICR) should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT: Tim Barnes, HQ-320 Mineral Materials Lead. Phone number: 541-588-0853; email: tbarnes@blm.gov. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States. You may also view the ICR at <http://www.reginfo.gov/public/do/PRAMain>.

SUPPLEMENTARY INFORMATION: In accordance with the PRA (44 U.S.C. 3501 *et seq.*) and 5 CFR 1320.8(d)(1), we invite the public and other Federal agencies to comment on new, proposed, revised and continuing collections of information. This helps the BLM assess impacts of its information collection requirements and minimize the public’s reporting burden. It also helps the public understand BLM information collection requirements and ensure requested data are provided in the desired format.

A **Federal Register** notice with a 60-day public comment period soliciting

comments on this collection of information was published on January 3, 2025 (90 FR 332). No comments were received in response to that notice.

As part of our continuing effort to reduce paperwork and respondent burdens, we are again inviting the public and other Federal agencies to comment on the proposed ICR described below. The BLM is especially interested in public comment addressing the following:

(1) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility.

(2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used.

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) How the agency could minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of response.

Comments submitted in response to this notice are a matter of public record. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: The BLM seeks to renew OMB approval for free use vegetative permits. These permits are available for mining claimants; Federal, State, or Territorial agencies; municipalities; and associations or corporations not organized for profit, provided they certify that the materials will not be used for commercial or industrial purposes. Free use permits for mineral materials are available to any Federal, State, or Territorial agency, unit, or subdivision, including municipalities, or any non-profit organization.

OMB Control Number 1004-0001 authorizes the BLM to collect information to continue the use of separate permit forms for the free use of vegetative materials and mineral materials. This OMB control number is currently scheduled to expire on December 31, 2025. The BLM requests

that OMB renew this OMB control number for an additional 3 years.

Title of Collection: Free Use Application and Permit for Vegetative or Mineral Materials (43 CFR parts 3600, 3620, and 5510).

OMB Control Number: 1004-0001.

Form Numbers: 3604-1a and b, Free Use Application and Permit for Mineral Materials and 5510-1, Free Use Application and Permit for Vegetative Materials.

Type of Review: Extension of a currently approved collection.

Respondents/Affected Public: Individuals seeking authorization for free use of mineral or vegetative materials.

Total Estimated Number of Annual Respondents: 146.

Total Estimated Number of Annual Responses: 146.

Estimated Completion Time per Response: 30 minutes.

Total Estimated Number of Annual Burden Hours: 73.

Respondent’s Obligation: Required to obtain or retain a benefit.

Frequency of Collection: On occasion.

Total Estimated Annual Non-hour Burden Cost: \$0.

An agency may not conduct or sponsor and, notwithstanding any other provision of law, a person is not required to respond to a collection of information unless it displays a currently valid OMB Control Number.

The authority for this action is the PRA of 1995 (44 U.S.C. 3501 *et seq.*).
